Item B.2: Council was provided with a status update and provided direction (Update Report from Solicitor Porter).

G. PRESENTATIONS/DELEGATIONS

1. Communities in Bloom Committee and Maggie Durocher, Parks and Recreation Programs Manager

Ms. Durocher commented that it is her distinct pleasure to present the Communities in Bloom National Award Trophy to Council, awarding the Town of Kingsville as '2019 CIB National Award Winner' for the population category between 7,501 to 25,000.

Christina Bedal, Kingsville BIA Coordinator, then presented the Communities in Bloom Recognition Plaque award for the Town of Kingsville '5 Blooms-Bronze' rating which highlighted the CIB Pumpkin Parade as an outstanding achievement. The awards were announced at the CIB National and International Awards Ceremonies held in Yarmouth, Nova Scotia on September 28, 2019.

Mayor Santos, on behalf of Council, thanked Ms. Bedal and Ms. Durocher, and stated that the Town is honoured to accept the presentation, and congratulated the Communities in Bloom Committee for their community efforts and a job well done.

2. Tony and Mary Taylor, Residents- Request dated September 16, 2019 RE: Car Wash Noise SEE: Staff Report Item K-4, being Report of R. Brown, Manager of Planning Services RE: Noise Assessment for 281 Main St. E.

Mrs. Taylor addressed Council, stating that eighteen months ago the car wash at 281 Main St. East opened and there was an immediate noise level problem. She commented that the car wash has been in operation now for one and one-half

years and no actual action has been taken to enforce the noise regulations. In reference to the Noise Assessment Report to be presented by Mr. Brown this evening (Staff Report K-4) Mrs. Taylor commented that the report is now three months old and is "3rd party proof that the business is in violation of the noise regulations in accordance with the Site Plan Agreement". She asked that Council take the necessary action to change the situation immediately, by either shutting down the car wash, or actively enforcing the noise limit rules.

511-2019

Moved By Councillor Tony Gaffan

Seconded By Councillor Larry Patterson

That Council receive Mary Taylor's comments regarding her and her husband's ongoing concerns with respect to the noise from the car wash operation located at 281 Main St. East.

CARRIED

Mayor Santos informed Mr. and Mrs. Taylor that Council is pursuing legal efforts to remediate the problem, and are working to provide the compliance Mr. and Mrs. Taylor are seeking. He stated Administration would be in contact with Mr. and Mrs. Taylor prior to the next Council Meeting in this regard.

H. MATTERS SUBJECT TO NOTICE

1. PUBLIC MEETING--Greenhouse Policy Review – Official Plan Policy Updates and Zoning By-law Amendment Updating the Current Regulations for Greenhouse Development

R. Brown, Manager of Planning Services

i) Notice of Statutory Public Meeting: Housekeeping Zoning By-law Amendment, dated September 9, 2019;

ii) Report of R. Brown dated September 18, 2019, with attached Appendix A, being the Official Plan policies proposed, and proposed By-law 89-2019, being a By-law to amend By-law 1-2014, the Comprehensive Zoning By-law for the Town of Kingsville.

Mr. Brown presented his Report through a PowerPoint presentation.

Comments from the audience:

Craig Wright, 212 Prince Albert St. N., stated that the citizens do not want Kingsville to become Leamington. He expressed concerns about pollution due to

phosphorous runoff and resulting algae blooms, and referenced and highlighted findings from a 2012 ERCA/Ministry study of pollution of the water base. He requested that there be no further greenhouse expansions; that the quality of life for residents is important.

Michael Datchi, 14 Wisteria Lane, stated that Mr. Wright voiced concerns for all residents. He asked that Council listen to those concerns. Mr. Datchi is also concerned about odour and how odours will be controlled. He asked "who is setting the standards?" as the cannabis greenhouse industry is in its infantile stage. Mr. Brown explained the difference between Part 1 and Part 2 applications, stating that Part 1 licences are commercial licences with stringent regulations set by the Federal Government. Part 2 licences are issued by Health Canada and are small-scale operations operated by designated growers. The Town has no ability to regulate Part 2 operations through zoning.

Candace Anderson, 888 Road 3 East and Joanne Rivard, 222 Sandybrook Lane, indicated that they had looked over the documentation and recognized that the Committee paid significant attention to the living spaces for the migrant workers. They indicated that they had prepared a few comments in connection with the proposed policies including the following: why are the greenhouses concentrated south of Road 5 and East of Division Road North; suggested the 100 metre buffer distance between residences is not enough; inquired about any planned future infrastructure expansions; asked whether the growers could be "required to recycle water" rather than "encouraged to recycle water"; odour control concerns; and proposed an amendment to the definition of 'land use' for consistency.

Bill Jamieson, 54 County Rd 29, inquired whether the Town is working on the light or 'sky glow' issue, and asked whether the Town would form a Committee for that specific issue. Mr. Jamieson commented that the community residents' health is important and asked if lighting language could be added to section 4.16 of the by-law.

James Drover, 48 Robin Court stated that he learned a lot from being a member of the Greenhouse Policy Review Committee and suggested that if the Committee work moves forward, that Ms. Anderson and Ms. Rivard be on that committee.

Craig Wright suggested a referendum against greenhouse growth.

There were no further comments from anyone in attendance in the audience.

Mayor Santos called for a recess at 8:58 pm. and the meeting reconvened at 9:14 p.m.

512-2019

Moved By Councillor Kimberly DeYong

Seconded By Councillor Thomas Neufeld

That Council directs Administration to review the public's comments received in connection with the Report of R. Brown RE: Greenhouse Policy Review with the Greenhouse Policy Review Committee, and bring back a revised Report, including some of the language that was discussed, for Council's consideration.

CARRIED

Ms. Anderson and Ms. Rivard will provide their notes to Administration.

2. PUBLIC MEETING--Combined Applications for Official Plan Amendment OPA/2/19 and Zoning By-law Amendment ZBA/14/19 by Chris Chevalier (Applicant) Charles and Shirley Chevalier (Owner) 318 County Road 8 in the Town of Kingsville

R. Brown, Manager of Planner Services

i) Notice of Complete Application and Public Meeting: Zoning By-law Amendment and Site Plan Approval dated September 24, 2019;

ii) Report of R. Brown, dated September 26, 2019;

iii) Proposed By-law 91-2019, being a By-law to amend the Official Plan of the Town of Kingsville (OPA 11) and proposed By-law 92-2019, being a By-law to amend By-law 1-2014, the Comprehensive Zoning By-law for the Town of Kingsville.

Mr. Brown presented the Planning Report through a PowerPoint presentation and fielded questions from Council.

Comments from the Applicant:

Solicitor Aaron Farough (Wolf Hooker Professional Corporation) representing the Applicant, commented that he agrees with the Planner's Report, and reiterated that the proposed structure is a new build on an existing lot (an internal grow operation and not a greenhouse operation). He stated the site is quite remote from neighbouring residences, that the Applicant is seeking a micro-licensed cannabis production facility and, under the new Federal structure, the zoning must be approved first. He explained that any expansion would require application for a larger licence.

Chris Chevalier, the Applicant, commented that the property will be under video surveillance under Health Canada rules, and there are stringent rules in place for proper disposal of cannabis waste.

Comments from the audience:

Brenda Gagnier, 342 Saddle Lane, inquired as to whether this facility will fall under a Part 1 or Part 2 Licence application. Mr. Brown confirmed that if the Official Plan and Zoning By-law amendments are approved, this application will be a Part 1 licence application.

There were no further comments from anyone in attendance in the audience.

513-2019

Moved By Deputy Mayor Gord Queen

Seconded By Councillor Tony Gaffan

That Council adopts Official Plan Amendment No. 11 (OPA 11) to establish a site-specific policy area to permit a new build structure for the establishment of a micro licensed cannabis production facility on the property known as 318 County Road 8, Part of Lot 11, Concession 11, in the Town of Kingsville and directs Administration to forward the policies to the County of Essex for final approval; and

That Council approves Zoning By-law Amendment Application ZBA/14/19 to: implement OPA 11 once final approval is granted by the County of Essex; permit a cannabis production facility and establish site-specific regulations for said cannabis production facility; and adopt the implementing by-law.

CARRIED

3. PUBLIC MEETING--Combined Application for Zoning By-law Amendment and Site Plan Approval by M & M Farms Ltd.

R. Brown, Manager of Planning Services

- i) Notice of Complete Application and Public Meeting: Zoning By-law Amendment and Site Plan Approval, dated September 24, 2019;
- ii) Report of R. Brown, dated September 23, 2019;
- iii) Proposed By-law 90-2019, being a By-law to amend By-law 1-2014, the Comprehensive Zoning By-law for the Town of Kingsville.

Mr. Brown presented the Planning Report through a PowerPoint presentation.

Comments from the Applicant:

Michael Mastronardi of M & M Farms Ltd., stated that he feels he has completed his due diligence in choosing the location of the proposed new bunkhouse and that there is an existing buffer of trees that have been planted along the easterly boundary of the lands to act as screening. He also explained that the migrant workers need a storage place for bicycles and picnic tables and that the proposed location provides a backyard.

Comments from the audience:

Solicitor Jacob Harper, representing Rina and John Pavao of 1835 Road 4 East, stated that his clients are objecting to the proposed location of the bunkhouse because it will be visible from the road. His clients propose that the bunkhouse be shifted back approximately 30' further south so that it is less visible from Mr. and Mrs. Pavao's property. He stated that his clients have lived at their residence for 25 years and they are not objecting to the whole plan, but ask that the bunkhouse be moved back.

Tina Giesbrecht, 1865 Road 4 East expressed concerns with respect to bunkhouses causing a decrease in property values.

John Pavao, 1835 Road 4 East, asked that the bunkhouse be located further away from his house and from the road, so the other houses can be seen.

Rina Pavao, 1835 Road 4 East, indicated that she does not have a problem with the applicant building the bunkhouse, but asked that it be built a little farther back.

Steve Mastronardi of M & M Farms stated that the reason for the proposed bunkhouse location was that they could not position another weeping bed, and therefore the two bunkhouses could not be connected. He stated they would prefer to have the bunkhouse away from the road for safety.

Fred Driedger, 934 County Rd 34 E, commented in general terms that maintaining the rural character of a neighbourhood is important when greenhouse expansions take place.

There were no further comments from anyone in attendance in the audience.

514-2019

Moved By Councillor Kimberly DeYong

Seconded By Deputy Mayor Gord Queen

That Council defer zoning amendment application ZBA/15/19 to rezone the subject property located at 1775 Road 4 E to permit a stand-alone bunkhouse accessory to a greenhouse at 1755 Road 4 East in order that the Manager of Planning Services has an opportunity to review the rural character setbacks and to provide a design for Council consideration at a future Regular Meeting.

2. Councillor DeYong may move, or cause to have moved:

533-2019

Moved By Councillor Kimberly DeYong

Seconded By Councillor Larry Patterson

WHEREAS public health care consistently ranks as the top priority in public opinion polls, and;

WHEREAS Public Health provides vital health promotion and prevention services based on the unique demographic and economic, social, and cultural needs of our communities; and;

WHEREAS the evidence from hospital amalgamation in Ontario and across Canada is that they have cost billions of dollars and have not yielded the promised administrative savings but have taken money away from frontline care, and;

WHEREAS there is no evidence to support the proposed closure of 25 out of 35 local Public Health Units, the closure of 12 of 22 local ambulance dispatch centres, and the closure of 49 out of 59 local ambulance services, and;

WHEREAS there is a deep consensus among virtually all stakeholders that increasing acuity in our long-term care homes requires additional staff and resources, not cancellation of the two special funds and real dollar cuts to per diem funding of our long-term care homes, and;

WHEREAS our local hospitals have been downsized for an entire generation and cannot meet population needs while sustaining real dollar cuts to hospital global budgets.

THEREFORE BE IT RESOLVED:

That The Corporation of the Town of Kingsville calls upon the Ontario government to halt the closures of, mergers of, and cuts to our local health care services including Public Health Units, land ambulance services, hospitals and long-term care homes and the Town of Kingsville forward this resolution to all municipalities in the Province of Ontario.
