Roll No. 3711 210 000 00105

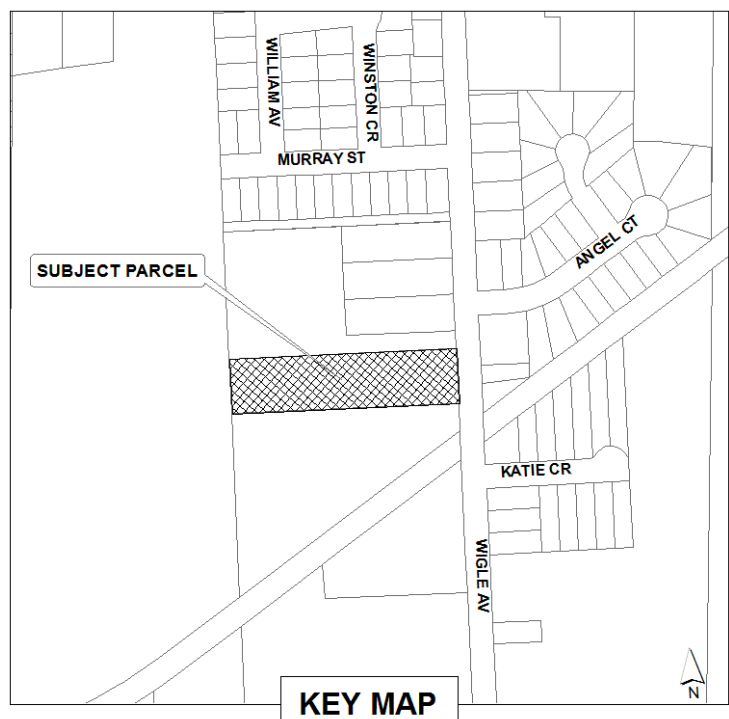

Report No.: PDS-2017-009

AIM

To provide the Mayor and Council with information regarding the proposed site plan approval and associated site plan agreement on lands known as 86 Wigle Avenue, in the Town of Kingsville (see Appendix A).

BACKGROUND

The subject land is a 0.87 ha (2.15 ac.) vacant parcel. The applicant is proposing to construct a 634 sq. m (6,820 sq. ft.) building which would house a combined carwash and automotive lube shop. The applicant also owns the abutting land to the south (106 Wigle Ave) and has been granted provisional approval through Consent Application (B/24/16) for a permanent shared access easement over 106 Wigle, for the subject property. The applicant is proposing that this shared access will be utilized as an entrance only for the subject property, and that the proposed access on the northern part of the subject parcel will serve as an exit only onto Wigle Avenue (as shown on attached Site Plan drawings Appendix B).

DISCUSSION

1.0 Provincial Policy Statement

There are no issues of Provincial significance raised by this application.

2.0 Official Plan

The Official Plan for the Town of Kingsville designates the subject property 'Industrial'.

In Section 1.5.7 Forecasted Industrial Demand, the Plan, "encourages additional industrial development particularly [...] automotive related industries".

The proposed development is consistent with Section 3.3 Industrial of the Plan and therefore conforms to the Official Plan.

3.0 Comprehensive Zoning By-law – Town of Kingsville

The subject property is zoned 'Light Industrial Zone 1 (M1)'.

The M1 Zone permits the applicants proposed use of the building as a carwash and automotive lube shop. The existing uses of the surrounding lands are primarily industrial with residential across Wigle Avenue and Agricultural abutting the rear of the property.

Site Details

Property Area:	0.87 ha. (2.15 ac.)
Frontage:	45.72 m (150 ft.)
Existing Buildings:	None
Proposed Building(s):	633.60 sq. m (6,820.01 ft ²)
Total Coverage:	7.3%

The attached plan has been reviewed and the proposed development is in full compliance with the provisions of the Town of Kingsville Zoning By-law 1-2014.

4.0 Site Plan

The applicant is proposing to construct a 634 sq. m (6,820 sq. ft.) building which will contain 2 automatic car wash bays, 4 coin-operated car wash bays, a lift bay and 2 lube bays, along with office space and facilities. The owners have received conditional approval (B/24/16) of a shared access easement over 106 Wigle, which will be utilized as an entrance only into the property. The site plan drawing shows an access to the north of the property, which will be utilized as an exit only and will contain signage and pavement markings to depict this, (see Appendix B). The property will be landscaped in compliance with the site landscape plan and maintained in accordance with the site plan agreement provisions. Due to the proximity of the proposed development to a residential area it was determined that a noise standard in addition to the existing Kingsville Noise By-law should be incorporated into the site plan agreement. Both the dryers and any vacuums located on the site will be required to maintain a noise level not exceeding 60 decibels (level of standard conversation) at the property line of the nearest residential lot, which is

approximately 60 m (200 ft.) from the closest wash bay. This should not present any difficulty based on the orientation of the bays and available dryer technology.

Standard site plan provisions will be applied in the site plan agreement. In addition, special provisions, conditions or modification will include:

- i) that the owner install and maintain all carwash bay dryers and vacuuming systems at a noise level not exceeding 60 decibels at the property line of the nearest residential property.

LINK TO STRATEGIC PLAN

The Strategic Plan specifies under Objective, Priorities and Projects, Subsection III:

“To Develop an economic vision based on our strengths and opportunities that will retain existing and attract new businesses.”

The requested site plan amendment will achieve this Objective of the Strategic Plan by allowing a new business in Town.

FINANCIAL CONSIDERATIONS

Building permit fees will be acquired at the time of the building permit issuance. This will also create additional tax revenue for the Town.

RE: Application for Site Plan Control SPA-15-16 86 WIGLE AVE
ARN 371121000000105; PIN: 751780510
Applicant: Truax Land & Bldg Corp

The following is provided for your information and consideration as a result of our review of Application for Site Plan Control SPA-15-16. The applicant is proposing to construct a car wash and lube shop building. This site will have a shared access with the lands directly south identified as 106 Wigle Ave.

NATURAL HAZARD POLICIES OF THE PPS, 2014

We have reviewed our floodline mapping for this area and it has been determined this site is **not** located within a regulated area that is under the jurisdiction of the ERCA (Section 28 of the *Conservation Authorities Act*). As a result, a permit is not required from ERCA for issues related to Section 28 of the *Conservation Authorities Act*, Development, Interference with Wetlands and Alteration to Shorelines and Watercourses Regulations under the *Conservations Authorities Act*, (Ontario Regulation No. 158/06).

WATER RESOURCES MANAGEMENT

We recommend that the municipality ensure that the release rate for this development is controlled to the capacity available in the existing storm sewers/drains. In addition, that stormwater quality and stormwater quantity are addressed up to and including the 1:100 year storm event and be in accordance with the guidance provided by the Stormwater Management Planning and Guidance Manual, prepared by the Ministry of the Environment (MOE, March 2003) and any other Municipal requirements (e.g., Development Standards Manual).

We further recommend that the stormwater management analysis be completed to the satisfaction of the Municipality. We do not require further consultation on this file with respect to stormwater management.

Ms. Brcic

NATURAL HERITAGE POLICIES OF THE PPS 2014

The subject property is not within or adjacent to any natural heritage feature that may meet the criteria for significance under the Provincial Policy Statement (PPS 2014). Based on our review, we have no objection to the application with respect to natural heritage policies.

FINAL RECOMMENDATION

We have no objections to this Site Plan Control Application.

If you should have any questions or require any additional information, please do not hesitate to contact the ERCA Watershed Planner, Michael Nelson by phone at (519) 776-5209 ext. 347 or by e-mail at mnelson@erca.org.

Thank you.

RE: Contract #MS17-101-01: Rural Roads Program
Report No.: MS 2017-11

AIM

This report is presented to obtain Council's authorization to award the contract for the 2017 Rural Roads Program.

BACKGROUND

As part of the approved 2017 Capital Budget schedule, Municipal Services outlined the following roads as requiring rehabilitation:

1. Road 6E from County Road 31 to Graham Side Road.
2. Road 10E from County Road 31 to County Road 27.
3. Road 11E from County Road 31 to County Road 27.

DISCUSSION

The Municipal Services Department prepared a tender document, as per the Town's procurement policy, for the 2017 Rural Roads Program. The program consists of two types of rehabilitations.

The first method of rehabilitation under this contract will be the localized surface treatment of hazard areas. This will consist of the repairs throughout the segment of road where Municipal Services has inspected and defined areas that pose a safety hazard to the public. The lengths of road outlined under this repair method are Road 11E from County Road 31 to Graham Side Road and Road 10E from Graham Side Road to County Road 27.

The second method of rehabilitation under this contract is the reconstruction of the hard surface layers. This will consist of the pulverizing of the existing hard surface, the

placement of granular 'A' aggregate to correct cross fall and increase the road base, and the placement of surface treatment (Tar and Chip). The lengths of road outlined under this repair method are Road 11E from Graham Side Road to County Road 27, Road 10E from County Road 31 to Graham Side Road, and Road 6E from County Road 31 to Graham Side Road.

LINK TO STRATEGIC PLAN

Provide safe, adequate and affordable municipal services and infrastructure.

FINANCIAL CONSIDERATIONS

The tendering process yielded the following results for the 2017 Rural Roads contract:

- | | |
|---------------------------------|--------------|
| 1. Jeff Shepley Excavating Ltd. | \$734,352.44 |
| 2. MSO Construction Ltd. | \$805,023.34 |

It should be noted that although the low bidder is \$14,352.44 over budget, the contract was written in such a way that it can be modified to reduce costs to remain within budget. In addition, Municipal Services drafted the rural roads contract with a \$60,000 contingency included in these bids.

RE: Strategic Plan – Final
Report No.: CAO 2017- 004

AIM

To provide Council with the Town of Kingsville Strategic Plan for approval.

BACKGROUND

In 2011 the Town of Kingsville developed its first Strategic Plan. On an annual basis the plan was updated. The previous Strategic Plan prioritized the following items as important to the economic health of the Town of Kingsville.

- Retirement and attraction of business related to this growing industry;
- Agriculture and related activities;
- Tourism;
- Enhanced communication networking and connection;
- Small business development and attraction of new manufacturing enterprises;
- Growth of the Municipality as a regional service centre;
- Industrial park development;
- Waterfront and Marina development

DISCUSSION

Based upon the Strategic planning public survey many of the above objectives remained relevant. However other objectives began to take precedent such as:

- Improved overall communication with residents, developers, and business owners ,
- Accessibility and,
- Active living,
- Sustainable renewal;

Overall the residents of the Town are happy with the direction the town is growing. Residents would like to see more active living and cultural amenities. Sustainable infrastructure and smart growth was also noted as a concern to the residents. Vision, Mission and Action plans were also developed to assist in moving the Town forward into the future.

Six open house sessions, Council/Staff workshops and an online survey were completed. A further two meetings were requested from Council after the January 23rd presentation. These additional meetings were to compare the 2011 Strategic plan to the one currently proposed.

The attached Draft Strategic plan is a culmination of these workshops and public input sessions, also attached the report which compared the 2011 Strategic Plan and the proposed. The Action plans will be reviewed on an annual basis with Council prior to budget deliberations. Staff will also provide Council with updated project plans regarding the initiatives that are planned for the year.

Once approved, the document will be posted to the town website.

To provide Council a comparison regarding the current and proposed changes to the Town of Kingsville Strategic Plan.

BACKGROUND

In 2011 the Town of Kingsville developed its first Strategic Plan. On an annual basis the plan was updated. The previous Strategic Plan prioritized the following items as important to the economic health of the Town of Kingsville.

- Retirement and attraction of business related to this growing industry;
- Agriculture and related activities;
- Tourism;

- Improved overall communication with residents, developers, and business owners ,
- Accessibility and,
- Active living,
- Sustainable renewal;

Six open house sessions, Council/Staff workshops and an online survey were completed. Based upon these results it can be surmised that overall the residents of the Town are happy with the direction the town is growing. Residents would like to see more active living and cultural amenities. Sustainable infrastructure and smart growth was also noted as a concern to the residents. Vision, Mission and Action plans were also developed to assist in moving the Town forward into the future. It should be noted that Council also completed a pre-strategic plan survey to assist staff in direction of the plan.

At the January 19th, 2017 Council meeting, the following motion was approved;

78-2017

Moved by Deputy Mayor Gord Queen

Seconded by Councillor Sandy McIntyre

That the Draft Strategic Plan approval be deferred pending the scheduling of a further Council / Staff Strategic Plan Workshop.

The concern for Council was to ensure that the proposed Strategic Plan did not move away from the intent of the current strategic plan.

Prior to discussing the comparison between the two plans it is important to understand the difference between an "operational plan" and a "strategic plan". The strategic plan is about setting a direction for the town, devising goals and objectives and identifying a range of strategies to pursue so that the town might achieve its goals. The strategic plan is a general guide for the management of the town according to the priorities and goals of residents and Council. The strategic plan DOES NOT stipulate the day-to-day or annual tasks and activities involved in running the corporation.

On the other hand the Operational Plan DOES present highly detailed information specifically to direct people to perform the day-to-day tasks required in the running the Town.

The difference between and operational and strategic plans

Strategic Plan	Operational Plan
A general guide for the management	A specific plan for the use of the organisation's resources in pursuit of the strategic plan.
Suggests strategies to be employed in pursuit of the organisation's goals	Details specific activities and events to be undertaken to implement strategies
Is a plan for the pursuit of the <u>organisation's mission</u> in the longer term (3 - 5 years)	Is a plan for the day-to-day management of the organisation (one year time frame)
A strategic plan enables management to formulate an operational plan.	An operational plan should not be formulated without reference to a strategic

	plan
The strategic plan, once formulated, tends not to be significantly changed every year	Operational plans may differ from year to year significantly

These operational plans are developed after the strategic plan to assist in implementation of the strategic plan. These studies include: road needs studies, asset management studies, masterplans and finance review. The current strategic plan relied heavily on reviewing these reports whereas the proposed plan has relied on the public input to direct the future of the Town.

DISCUSSION

As demonstrated within the attached two documents there are some differences within each document however both documents do contain similarities regarding context and overall theme and direction for the Town. The following is a dissection and comparison of both plans. They have been divided into 5 areas of discussion; Process, SCOT Analysis, Vision, Mission, Objectives.

Process

When strategic planning began the main concern that was brought forth from Council and Administration was the lack of public input with the current plan. The current plan recommended Community input sessions however these were not followed through. The proposed plan does contain 6 public open houses, two online surveys and 5 Council/Staff public workshops. All were well attended and all input was greatly appreciated. It should be noted that the one item within the community input plan was the involvement of the County Library for assistance. However due to the strike this was beyond our control.

The input sessions for both plans were similar in that each included a SWOT Analysis, Vision and Mission statement, development of goals and action plans.

SCOT Analysis

The previous SCOT Analysis was reviewed by the Management Team for common themes. These were then developed into questions within the online and open house surveys. These themes remained the same.

Within the current plan there were 40 strengths, 37 weaknesses, 14 Opportunities and 14 threats. Many of these SCOT items could be reduced into similar themes such as;

Strengths:

- Geographic location
- Diversified Economic Landscape
- Community

- Parks and Natural Areas
- Waterfront
- Tourism
- Growth

Challenges

- Economic Development
- Greenhouse Industry
- Location
- Support in groups

Opportunities

- Location
- Economy
- Natural Environment
- Growth

Threats

(Could not find a theme as they were corporate centric and would not fit within a Municipal Strategic Plan)

Proposed Plan

As stated earlier, the SWOT Analysis was developed through Council pre-survey, workshops with OMAFRA, current strategic plan and community input results.

Vision

During the development of the proposed Vision statement, the facilitator asked the group to respond to this question;

“It is Canada Day 2036, you are enjoying an event at the Mettawas Park. What are people saying about Kingsville?”

The vision communicates what the Town believes are the ideal conditions for the community – how things would look if the issue important to you were perfectly addressed. This utopian dream is generally described by one or more phrases or vision statements, which are brief proclamations that convey the community's dreams for the future. By developing a vision statement, the Town makes the beliefs and governing principles of the organization clear to the greater community

There are certain characteristics that most vision statements have in common. In general, vision statement should be able to pass the following litmus test:

- Understood and shared by members of the community
- Broad enough to encompass a variety of local perspectives
- Inspiring and uplifting to everyone involved in your effort
- Easy to communicate - for example, they should be short enough to fit on a T-shirt

Current Vision Statement

“On the beautiful shores of Lake Erie, advantageously situated close to the international border and major urban centre’s, Kingsville, one of Canada’s southernmost town’s enjoys an ideal growing climate and benefits from a diverse technology-based agricultural economy, natural eco-tourism and opportunities for all ages.

To make Kingsville a desirable place to live, prosper and visit we invest to improve the quality of life and value our heritage in a way which will ensure our small-town, friendly atmosphere while being committed to growth, renewal and enhancing our environmental sustainability.”

Proposed Vision Statement

Kingsville will be a friendly and safe community: Proud of our past, excited about our future.

The proposed Statement was vetted through two workshops and does agree to the litmus test of what is a vision statement. It has been reviewed by the public, it encompasses the public’s perspective, it is inspiring and is easy to communicate.

Mission

Developing a mission statement was the next step in the strategic planning process. The mission statement describes what the Town is going to do, and why it's going to do that. Mission statements are similar to vision statements, but they're more concrete, and they

are definitely more "action-oriented" than vision statements. Some general guiding principles about mission statements are that they are:

- **Concise.** Although not as short a phrase as a vision statement, a mission statement should still get its point across in one sentence.
- **Outcome-oriented.** Mission statements explain the overarching outcomes your organization is working to achieve.
- **Inclusive.** While mission statements do make statements about the overarching goals, it's very important that they do so very broadly. Good mission statements are not limiting in the strategies or sectors of the community that may become involved.

Current Mission Statement

- *Promote the betterment, self-image and attitude of the community using our identified strengths*
- *Develop an economy based on our strengths and opportunities that will retain existing and attract new businesses*
- *Maintain and improve health, safety and well-being of our residents*
- *Become a proactive progressive environmental leader who promotes environmentally friendly practices and healthy natural lifestyles*
- *Encourage leadership and management that will provide the direction and provide the resources enquired to achieve our Mission*

Proposed Mission Statement

To make sure Kingsville is an amazing place to be

The Mission Statement should be easy to memorize and remain within the back of staffs minds. It reminds us why we do what we do and provides us with essentially a mission to move the Town forward with our initiatives. Moving back to the three points of what a mission statement is the proposed Mission Statement does qualify each of these points. Ultimately in completion of the Action Plans we will be moving forward to making Kingsville and amazing place to be.

Objectives or Goals

Five objectives of the current Strategic Plan included the following;

1. To maintain and improve the health, safety and wellbeing of our residents
2. To promote the general betterment and positive self-image of our community using the identified strengths that exist in the Community
3. To be recognized as a proactive progressive environmental leader who promotes environmentally friendly practices and healthy natural lifestyles
4. To develop an economic vision based on our strengths and opportunities that will retain existing and attract new businesses
5. To encourage leadership and management the direction to achieve our goals and maximize the effectiveness of our strategies

The proposed goals are located within each of the action plans. Essentially the current goals/objectives have been updated but have maintained the previous themes. The themes include:

- Accessibility
- Communication
- Public Safety
- Recreation and Culture
- Planning and Development
- Business and Growth
- Operations
- Fiscal Responsibility
- Sustainability

These themes were verified through the survey process, discussions at workshops and comments made through the public open houses.

These themes can be further described within the proposed linkages to the strategic plan or goals. These include:

1. Promote the betterment, self-image and attitude of the community
2. To promote a safe community
3. Increase use of recreational and cultural facilities
4. Manage residential growth through strong planning
5. Support growth of business community
6. Effectively manage corporate resources and maximize performance
7. To become a leader in sustainable infrastructure renewal and development

Action Plans

The development of the action plans occurred during Council/Staff workshops and was reviewed during the public open house sessions. This is where there is a very distinct difference between the current plan and the proposed. The current plan developed large infrastructure projects which should be located within a long term Capital plan and not linked directly to a strategic plan.

These action plans provide for sustainable projects to be developed prior to infrastructure plans occurring and Capital dollars being allocated. It was intentionally developed this way as to allow for both staff and Council to essentially “Strategically Plan” for future growth and spending. The plans take into account the public’s wants and needs and allows for flexibility in decision making by the creation of policies, procedures and studies.

As noted, there is performance measures also linked to the action plans. This will provide both Council and Staff a goal to reach on an annual basis. The current plan did not provide this.

Action plans are reviewed on an annual basis and a report card will be posted on the website for the public to review.

LINK TO STRATEGIC PLAN

A Message From Mayor
Nelson Santos

"If you do not step forward,
you will always be in the same
place."

The Municipality of Kingsville is in a fortunate position that is representative and home to a diverse population of residents, businesses, agriculture and industry. Often providing a balanced approach can be challenging where there are so many interests and thus why the Council and Administration behind the Corporation of the Town of Kingsville have continually supported visioning for both the short and long term strategies for our community's future.

In Kingsville, it is recognized that our community is never at a standstill, and is constantly learning, growing, and under development as we continue to mature from the days of amalgamation. As we keep moving forward with our positive momentum, we continue to keep an eye on our vision and goals on a regular basis. That's why our today's council has committed to modernize our Municipality's Strategic Plan and has set forth an updated vision based on the messages and input we have received over the past year from the public. This vision and mission for our term of council and for those that follow serves as both a guideline and a target and provides a live record of its progress and updates.

There is something about having our voices of business, our residents and our community, participate and commit to 'visioning' for our future success. Each one of us offers some important insight and support in helping identify key components of Kingsville as well as guide the municipality in ultimate goal setting and making important decisions that include investing in key infrastructure and programs with our goals focused on establishing an environment that will grow success; that will grow investment; that will grow and support our communities.

It will also begin to bring into focus the necessary financial estimates and costs associated to them as part of our financial mindset and fiscal responsibility. Combined, this will provide for a vision that is reflective of our community and realistic to achieve.

Introduction

Introduction

The purpose of this document is to provide a guideline for taking actions that will strengthen the Town of Kingsville. This strategic plan is intended to sustain the quality of life that is enjoyed by residents. This document is designed to capture the ideas and input of the community members and combine it with the current competitive advantages of the Town of Kingsville.

Process & Research

Over the course of 2016 Council, staff and the public were able to attend various public seminars to ascertain a direction in which the strategic plan should move forward. Online surveys were also provided to the general public. These meetings were to ensure the strategic direction contained in the Plan met the Strategic Vision and Mission. The first meeting was facilitated by a member of OMAFRA. During this meeting the Vision, Mission and SWOT (Strengths, Weakness, Opportunities and Threats) were reviewed. Council and staff developed Action Plans which will also assist in developing the vision of the Town of Kingsville.

Community Profile

Located along the north shore of Lake Erie, approximately 40 minutes from the Windsor – Detroit border is the Town of Kingsville. Its unique location as one of the most southerly destination in Canada offers its residents an unusually mild winter climate. Since its 1999 restructuring, whereby the Townships of Gosfield North and South merged with Kingsville, the town boasts a total population of 22,358 (2016 Census), and occupies an area of approximately 247 square kilometers.

Heritage

Nature

Leading Industries

Kingsville's ideal climate offers optimal conditions for an abundance of fresh farm produce from local farmers; in fact, Kingsville boasts the second longest growing season in all of Canada. The region of Kingsville-Leamington serves as the hub for North America greenhouse operations including; peppers, cucumbers, tomatoes, and strawberries. This hub is rapidly expanding. Kingsville is primed to meet the needs of this future growth. It also home to four estate wineries, producing a variety of wine from their local vineyards. Located on the shores of Lake Erie, Kingsville is home to Ontario's premier fishing industry along with an active aggregate shipping port.

Economic Development

The Town of Kingsville presents a thriving downtown environment surrounded by traditional agricultural farming, together with an ever-expanding greenhouse industry. Conveniently located with easy access to international border connections and Highway 401, Kingsville is attracting the attention of manufacturing enterprises and tourism development. Attraction strategies have been identified and prioritized for the various key sectors of the Town. These include;

- **Retirement and attraction of business related to this sector;**
- **Agriculture and related activities;**
- **Tourism;**
- **Pursuing enhanced communication networking and connection;**
- **Small business development and attraction of new manufacturing enterprises;**
- **Industrial park development;**
- **Waterfront and Marina development.**

Kingsville's festivals are among the most attractive and well known. They include the Hamlet of Ruthven Apple Festival, the Village of Cottam Horse Show, the Migration Festival and the Fantasy of Lights Festival. It is an area that is rich with things to do and see. Its downtown shops are set in a Victorian theme, and provide quality personal service for all shopping, dining, and professional needs. Tours can be arranged for Colasanti's Tropical Gardens, Jack Miner Bird Sanctuary, Historical Park, self-guided heritage tours, and Pelee Island Winery. Visitors and residents can also relax in any number of community parks, or by the waterfront and harbour that is home to Kingsville fisheries, as well as ferry services to Pelee Island.

Municipal & Government Services

The Municipality is governed by an elected Council including a Mayor and Deputy Mayor and 5 councillors. All Council are voted at large. Council is elected for a four year term. The Municipality follows the rules and regulations set out by the Provincial Government in the Municipal Act and various Provincial Acts.

The Town of Kingsville is in a two tier governance system. The County of Essex is the upper tier, with the Mayor and Deputy Mayor representing the Town at the County Council table.

The Town of Kingsville offers municipal services supporting community safety, quality of life, and a suite of residential services.

Over the course of 2016 Council, staff and the public were able to attend various public seminars to ascertain a direction in which the strategic plan should move forward. Online surveys were also provided to the general public. These meetings were to ensure the strategic direction contained in the Plan met the Strategic Vision and Mission. The first meeting was facilitated by a member of The Ministry of Agriculture, Food and Rural Affairs (OMAFRA). During this meeting the Vision, Mission and SWOT (Strengths, Weakness, Opportunities and Threats) were reviewed.

Council and staff developed Action Plans which will also assist in developing the vision of the Town of Kingsville.

SWOT Analysis

Strategic Action Plan

Photo by Mackenzie Lemire

Within Kingsville's growing portfolio includes an average 5% growth in residential home building, a key challenge is to guide and shape future growth in order to preserve the unique characteristics and retaining the small town feel and values of the Town of Kingsville as its population grows.

The Strategic Action Plan provides a starting point for discussion and guides the development of specific, measurable actions that can be implemented over the term of Council, to achieve our long and short terms goals and objectives.

RE: Civic Mobile Tool
Report No.: CAO 2017 - 005

AIM

To gain Council approval in regards to the implementation of a civic mobile tool.

BACKGROUND

In the fall of 2016 the Economic and Tourism Committee were introduced to a community engagement app. The app, developed by InspireHUB Technologies, is a tool which would assist in engaging residents within different aspects of the Town such as events, business, meetings, tourism, organizational, etc. Traditionally, the Town has communicated with its residents through newsletters, website updates, and social media.

A demonstration of the app was also provided to Council during the operational budget deliberations and was approved.

DISCUSSION

The Committee was impressed with the Community Engagement tool which includes; automated newsletters, in-app messaging, event management, volunteer recognition, donation management, surveys and polls.

The IHUBApp and will allow the Town of Kingsville the ability to:

- Instantly create channels by topic, interest, and geography.
- Place real-time polls in the field to every channel to better explore their interests.
- Sell tickets to workshops, conferences and events the Town may be holding.
- Create a sense of community via the Instant Message Center.
- Provide in-app fundraising tools to those who are using the IHUBApp.
- Send private in-app messages to specific (public and private) channels.

- Allow guests, residents, and staff the ability to upload photos, videos and stories that will help build stronger connection between the Town and their respective audiences.
- Communicate opportunities for residents to “Get Involved” in various activities, projects and events.
- Provide a method to communicate the latest Town news.
- View analytics of the Town of Kingsville IHUBApp to determine key areas of activity and interest by users of the app.

Each Department will receive their own section in which they will be able to populate with content. Each Councillor will also receive their own section in which the public will be able to communicate with them. Training will be available for staff regarding the development of content and the set.

It should be noted that the app is W3C compliance for accessibility.

LINK TO STRATEGIC PLAN

To encourage leadership and management that will provide the direction to achieve our goals and maximize the effectiveness of our strategies.

FINANCIAL CONSIDERATIONS

The approved budgeted for this project is \$8,600 and was transferred from the Economic Development reserve fund. There is a monthly fee for this project in the amount of \$440.00 with a \$500.00 set up fee.

RE: Human Resource Manager – Job Description Update
Report No.: CAO – 2017 -006

AIM

To provide the Personnel Committee with information regarding revisions of the Human Resource Manager's Job Description.

BACKGROUND

The Human Resource – Office Manager position was presented April 2014 and was approved by the Personnel Committee August 2015. This position was a combination of two positions that filled the gap between Human Resources and managing the unionized office staff.

DISCUSSION

Due to the vacancy of the Human Resource – Office Manager, the job description was reviewed to ensure relevancy. As this position does contain an overarching aspect within each Department each Director did review the JD. Some concerns came to light:

- Difficult to surmise reporting duties with current organization
- Office staff find it difficult to maintain work priorities
- Need for additional resources to assist with growing needs of each Department
- Supervision of day-to-day operations is a daily time drain which removes time from Human Resource concerns
- Due to work load it is difficult to provide the provision of Human Resource guidance to departments

These points were also reiterated during the HR/Office Manager exit interview. The revisions include changes made by both the Department Heads and the HR/Office Manager. Overall it is the consensus of the group that this position should mainly concentrate on the Human Resource matters of the Town and that the day-to-day supervision of the unionized Office Staff remain with the Department heads. Benefits to be obtained by this change would include;

- More efficient service provided to each Department
- Improved communication
- Improved delivery of projects
- Clear reporting structure
- Clear role development of the HR Manager

March 9, 2017

The Corporation of the Town of Kingsville
2021 Division Road North
Kingsville, ON
N9Y 2Y9

Attention: Sandra Kitchen, Deputy Clerk Council Services

The Jack Miner Migratory Bird Foundation would like to formally submit a request to the Town of Kingsville and Kingsville Council to consider creating two proclamations declaring that April 10, 2017 be "Jack Miner Day" and the week of April 10, 2017 be "National Wildlife Week" in the Town of Kingsville.

Born in Dover Centre (now Westlake) Ohio on April 10, 1865, Jack Miner moved with his family to Gosfield South Township at the age of 13. There, his family operated a brick and tile yard and Jack became a market hunter to help supplement the family income. In 1904, Jack Miner founded his Migratory Bird Sanctuary and began the process of actively trying to encourage waterfowl to migrate to his property. In 1909 Jack Miner began the practise of banding wild ducks as they passed through his Sanctuary in order to track their migratory patterns. Jack was one of the first in North America to develop this practise. In 1915 Jack Miner extended his banding to include Canada Geese and he began stamping each band with a unique Bible verse. By the time of his death in 1944, Jack had banded over 50,000 wild ducks and 40,000 migrating Canada Geese.

During his lifetime, Jack Miner befriended some of the leading thinkers and politicians of his time including Henry Ford, Prime Minister William Lyon Mackenzie King, members of the Dutch Royal Family, and Detroit Tiger Ty Cobb. At the time of his death, Jack Miner was ranked by several American newspapers as one of the 5 best known men in North American along with Henry Ford, Thomas Jefferson, Charles Lindbergh, and Eddie Rickenbacker. In 1947, the Canadian government passed the National Wildlife Week Act to honour Jack Miner's contribution to Canadian Wildlife conservation. Each year the week of his birthday (April 10) has been designated National Wildlife Week across Canada and this year is the 70th Anniversary. It was the hope of the creators of the National Wildlife Week Act that people from across North America would visit the Jack Miner Migratory Bird Sanctuary on Jack's birthday to celebrate his life and work in wildlife conservation.

The Jack Miner Migratory Bird Foundation was incorporated a registered not-for-profit charitable organization in 1931 in the United States of America and in 1936 in Canada. Today, the Foundation continues the good work started by Jack Miner by offering a safe haven for migratory waterfowl.

Proclamation #1 Jack Miner Day, April 10, 2017

Proclamation

Whereas: Jack Miner was born on April 10, 1865 in Dover Centre, Ohio, (now Westlake); and

The Jack Miner Migratory Bird Sanctuary/Foundation • 360 Road 3 West • Kingsville, Ontario, Canada • N9Y 2E5

Whereas: at the age of 13 he moved with his family to Kingsville, Ontario, Canada where he became a professional trapper and market hunter to help supplement the family income and later established a brick and tile manufacturing business; and

Whereas: in 1904 he founded the Jack Miner Migratory Bird Sanctuary for the conservation of migratory waterfowl; and

Whereas: in 1909 he began the practice of tagging wild ducks as they passed through his Sanctuary to better understand their migratory routes; and

Whereas: in 1915 he began the practice of tagging Canada geese and other geese as they passed through his Sanctuary to better understand their migratory routes; and

Whereas: the information collected led to the establishment of the Migratory Bird Act between the United States of America and Canada in 1916 and the Migratory Bird Convention Act in 1917, 100 years ago; and

Whereas: seventy years ago the Canadian Government established National Wildlife Week to take place across Canada each year during the week of Jack Miner's birthday, April 10th, as a lasting tribute to his contribution to Canadian wildlife conservation.

Now, Therefore, I, xxxxxxxxxxxxxx do hereby proclaim Monday, April 10th, 2017 as

Jack Miner Day in the Town of Kingsville

Proclamation #2 National Wildlife Week, April 9-15, 2017:

Whereas: A deserved and enduring tribute was paid to the world's greatest naturalist and founder of the Jack Miner Migratory Bird Sanctuary in Kingsville, Ontario, which bears his name, when the Canadian Parliament passed an Act fixing the week of his birthday, April 10th as National Wildlife Week and;

Whereas: Countless thousands of people have been privileged to visit the Sanctuary and continue to enjoy this unique spot year after year; and

Whereas: At the time of his death in 1944, Jack Miner was referred to as one of the 5 best known men in North America alongside Henry Ford, Thomas Jefferson, Charles Lindbergh, and Eddie Rickenbacker; and

Whereas: The Jack Miner Migratory Bird Foundation was founded in 1931 in the United States and 1936 in Canada to continue the Legacy of Jack Miner and continues to bring environmental and wildlife conservation issues to a new generation; and

Whereas: Across Canada celebrations of the 70th Anniversary of National Wildlife Week are taking place.

Now, Therefore, I, xxxxxxxxxxxxxx do hereby declare the week of April 9, 2017 as

The Jack Miner Migratory Bird Sanctuary/Foundation • 360 Road 3 West • Kingsville, Ontario, Canada • N9Y 2E5

National Wildlife Week in the Town of Kingsville

Thank you for your consideration in this matter. If you have any questions please do not hesitate to contact the Sanctuary.

F. MATTERS SUBJECT TO NOTICE

Engineer Lou Zarlenga (R. C. Spencer Associates Inc.) and K. Vegh, Drainage Superintendent

Engineer's Report Consideration - 2nd Concession Branch of the Esseltine Drain - Replacement of Farm Crossing; Owner: Mucci Farms Ltd. (290-38700), in the Town of Kingsville, in the County of Essex

i) Notice of Meeting to Consider Engineer's Report, dated February 22, 2017;

ii) Engineer's Report dated December 22, 2016 (Project Ref. No. 16-568) including Schedule of Assessment for Construction and Schedule of Maintenance;

iii) Proposed By-law 28-2017, being a by-law to provide for the construction of a bridge over the 2nd Concession Branch of the Esseltine Drain; Owner: Mucci Farms Ltd., in the Town of Kingsville, in the County of Essex.

Engineer Zarlenga presented the Engineer's Report prepared in accordance with Section 78 of the Drainage Act, stating that the proposed work involves the replacement of an existing farm crossing. The owner is paying the full cost for the replacement of this culvert; the cost has been assessed entirely against Roll No. 290-38700 as a special benefit based upon the owner agreeing to pay 100% per

cent of the cost. An additional cost of \$17,000 has also been assessed as a special benefit to Roll No. 290-387000 for previous engineering work carried out at their request. Engineer Zarlenga stated that the construction has been upgraded and is based on a 25-year storm event.

Comments from the audience:

Steve Stephenson, 1607 County Road 34 E., Ruthven, stated that his main concern is truck traffic. He wondered what the circumstances will be 5 to 10 years from now with possible expansions of the business, and whether trucks will be going through the small neighbourhood.

Mr. Vegh explained that Road 2 is a 'no truck route' and will remain that way.

Carol Stockwell, 1777 Road 3 East, asked "Where does the bridge begin and where does it end"? Engineer Zarlenga stated that the bridge is located on private property near the middle of Mucci Farms.

Milka Pieper, 1684 Nevan Court also expressed safety concerns regarding truck traffic, stating that children are playing in the Sun Valley subdivision. She also asked for an explanation as to maintenance charges.

Mr. Vegh explained the provisions of Section 74 of the Drainage Act; that drainage works' maintenance and repair is completed by the municipality at the expense of all assessed upstream lands and roads, in the proportion determined by the relevant by-law pertaining to the works. He explained that the upstream properties drain to the same drain the Mucci Bridge is on.

John Penner, 1542 County Road 34, stated that his tax bill has recently gone up and he wondered how the Town made the calculations. Mayor Santos clarified that property tax billing is not associated with the drainage report. Director of Financial Services S. Zwiers indicated she would assist Mr. Penner and explain his property tax billing.

George Dekker asked on behalf of Mucci Farms if Council, pending approval, would consider by-passing the Court of Revision and proceed directly to tendering. Mayor Santos indicated that the property owner could file a signed Waiver of Appeal Rights and should Council accept the signed Waiver the Town Drainage Superintendent would be instructed to obtain Contractor quotations. The Court of Revision would still be scheduled in accordance with the Drainage Act.

John Penner asked how wide the ditch would be in the front of his yard after the works are completed and Mr. Vegh responded that his ditch would not be altered or touched.

There were no further questions from anyone in attendance in the audience.

246-2017

Moved by Councillor Larry Patterson

Seconded by Councillor Sandy McIntyre

Council adopt the Engineer's Report prepared by R. C. Spencer & Associates, dated December 22, 2016 (Project No. 16-568); read By-law 28-2017, being a by-law to provide for the construction of a bridge over the 2nd Concession Branch of the Esseltine Drain; Owner: Mucci Farms Ltd. (290-38700) in the Town of Kingsville, in the County of Essex, a first and second time at this Regular Meeting; and schedule Court of Revision for a future date.

The Honourable Dr. Eric Hoskins

Dear Minister Hoskins:

Marijuana controls under Bill 178, Smoke-Free Ontario Amendment Act, 2016

On January 19, 2017, at a regular meeting of the Board of the Windsor-Essex County Health Unit, Administration brought forward a letter supported by the Simcoe Muskoka District Health Unit regarding the inclusion of Marijuana as a prescribed product or substance under Bill 178, Smoke-Free Ontario Amendment Act, 2016.

The Windsor-Essex County Board of Health supports the position of Simcoe Muskoka District Health Unit recommending the enactment of the Smoke-free Ontario Amendment Act which received Royal Assent on June 9, 2016, as well as their suggestion to include medicinal and recreational marijuana as a prescribed substance within the regulations. By utilizing the strong framework set forth in the Smoke-free Ontario Strategy, the provincial government will take advantage of an established and effective means to address the risks associated with the use of these products using the three pillar approach of prevention, protection, and cessation.

As a result, the risks associated with increased uptake of marijuana will be mitigated through appropriate and consistent regulation, and exposure to smoking behaviour in public spaces will be minimized. Increased access to marijuana poses a significant public health concern with the most notable negative outcomes tied to impaired driving, exacerbation of mental illness and addictions, and potential harms to the children of pregnant or lactating women. First and second-hand marijuana smoke also contains known carcinogens and exposure to either can lead to respiratory or cardiovascular disease.

The Windsor-Essex County Board of Health applauds the efforts of the Ontario Government in the development of the Smoke-free Ontario Amendment Act, and the inclusion of marijuana as a prescribed substance is a practical and feasible means through which to lessen the potentially negative public health impacts of legalization. Should this approach be taken, and the enforcement behaviours fall within the scope of Ontario public health units, it is further recommended that sustainable funding and tailored enforcement training be provided.

Council of the Town of Kingsville

The Kingsville Historical Park Museum would like to offer its sincere thanks and appreciation for the financial support shown by this council to preserve our local history and that of our veterans. Your investment in the Museum will allow us to continue the good work that was began almost 30 years ago.

We wanted to take this opportunity to share with the council some of the programs which you have supported with this donation. The Museum has taken on a one-of-a-kind research project which will highlight each one of the 553 men who fought at Dieppe for the Essex Scottish Regiment. This collaborative project has brought in partnerships with the Dieppe Museum, Mémorial du 19 Août 1942, and, The Essex and Kent Scottish Association.

The Museum will also be piloting the Museum Youth Experience, a series of youth leadership workshops which will be targeted at Grade 10 history students from local high schools. These students will work in small groups with actual artifacts to research, restore, exhibit, and advertise their creations. This hands-on experience with history will allow youth to feel a sense of ownership and connectedness with local history.

We could not do these projects and many more without the support of the town and its council, thank you,

Dear Ms. Wynne:

Please find below a copy of a recent resolution passed by our Council:

Resolution No. 55-03-2017

Moved by: W. Koehler

Seconded by: P. Skippen

Whereas the Premier has announced that Ontario Hydro will be waiving delivery fees for customers who reside on First Nation reserves and settlements in Ontario;

And whereas the many families in the Town of Northeastern Manitoulin and the Islands are having trouble meeting their financial commitments because of the exorbitant delivery fees charged by Ontario Hydro;

Now therefore be it resolved that the Council for the Town of Northeastern Manitoulin and the Islands requests that the Province of Ontario treat all of Ontario Hydro's customers equally and eliminate the delivery fees for residents of the Town of Northeastern Manitoulin and the Islands.

Be it further resolved that, in the interest of transparency, Ontario Hydro explain to the municipalities which cost costing measures or alternative revenue sources will be put in place to replace the revenue losses it experiences from the elimination of the delivery charge to its customers.

And further that a copy of this resolution be sent to Premier Wynne, Minister Thibeault, and the other municipalities in the Province of Ontario.

Dear Premier Wynne:

Re: Support for Policy to Install AEDs in all Schools

At its last regular meeting held on March 8, 2017, the Council the Municipality of Middlesex Centre enacted the following resolution:

WHEREAS Automated External Defibrillators are used to treat sudden cardiac arrest and have been proven to be life-saving during the waiting time period for emergency services;

AND WHEREAS for every minute a person in cardiac arrest goes without being successfully treated by defibrillation, the chance of survival decreases by 7 percent in the first, and decreases by 10 percent per minute as time advances past 3 minutes;

AND WHEREAS Andrew Stoddart, a 15 year old boy, passed away while playing soccer in Kintore, Ontario, an AED on site may have increased his odds of survival. Andrew's Legacy foundation has currently purchased 22 AEDs for across Oxford County, including all three elementary schools in Zorra Township;

AND WHEREAS Thames Valley District School Board has yet to put together a policy for having AED's in place in all, or any, of their public elementary and secondary schools;

THEREFORE BE IT RESOLVED THAT the Municipality of Middlesex Centre requests that the Premier, and Minister of Education, develop a policy that enables all school boards in Ontario, including the Thames Valley District School Board, that allows individual elementary and secondary schools to have an AED installed in their schools; and

FURTHER THAT the Municipality of Middlesex Centre request that the Thames Valley District School Board develop a policy to install AEDs in all schools in the Thames Valley District School Board as soon as possible for the safety of our children; and

FURTHER THAT this resolution be sent to the Premier, Minister of Education, AMO, Thames Valley District School Board; and all Ontario Municipalities for consideration and support.

AMENDMENT NO. 1
to a Grant Funding Agreement under the
2013-14 Source Protection Municipal Implementation Fund (SPMIF_1516_004)

THIS AMENDMENT NO. 1 made in duplicate, as of the 16th day of March 2017,

B E T W E E N:

HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO
as represented by the Minister of the Environment and Climate Change

(the “**Province**”)

- and -

The Corporation of the Town of Kingsville

(the “**Municipality**”)

WHEREAS the parties entered into a grant funding agreement under the Source Protection Municipal Implementation Fund dated as of February 4, 2016 for the Municipality to build municipal capacity to implement source protection plans and support sustainable, local actions to protect drinking water (the “**Agreement**”);

AND WHEREAS pursuant to Section 20.2 of the Agreement, the parties may amend the Agreement in writing;

NOW THEREFORE in consideration of the contractual relationship between the Municipality and the Province referred to above and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by both parties, the Municipality and the Province hereby acknowledge, agree and undertake as follows:

1. Unless otherwise specified in this Amendment No. 1, capitalized words and phrases have their prescribed meaning as set out in the Agreement.

2. The Agreement is amended as follows:
- 2.1 The following definitions are added to Section 1.1, Definitions, in alphabetical order:

“Lower Tier Municipalities” as defined by the *Municipal Act, 2001* means a municipality that forms part of an upper-tier municipality for municipal purposes. Within regions, they are responsible for providing certain local services that are not provided by the regional municipality. Within counties, they are responsible for providing a wider range of local services since counties as upper-tier municipalities provide less local services than regions.

“Ministry” means the Ontario Ministry of the Environment and Climate Change presided over by the Province. When “Ministry” is referred to in this Agreement, the reference is to the “Ministry” as the regulator.

“RMI” means a risk management inspector appointed under Part IV of the *Clean Water Act, 2006*.

“RMO” means a risk management official appointed under Part IV of the *Clean Water Act, 2006*.

“SPMIF” means the Province's Source Protection Municipal Implementation Fund.

“Upper Tier Municipality” as defined by the *Municipal Act, 2001* means a municipality of which two or more lower-tier municipalities form part for municipal purposes

- 2.2 Section 2.1 is deleted in its entirety and replaced with the following:

The term of the Agreement shall commence on the Effective Date and shall expire on **March 31, 2018** unless terminated earlier pursuant to Article 9. The Municipality shall, upon expiry or termination of the Agreement, return to the Province any Funds remaining in its possession or under its control.

- 2.3 Section A.2.2 (Project Objectives) is deleted and replaced with the following:

The objectives of the Project are for the Municipality to use the Funds to implement, or prepare to implement, one or more of the significant drinking water threat policies set out below in an approved source protection plan, or proposed source protection plan, that has been submitted to the Ministry for approval, provided that:

- i. The implementation of the policy is the responsibility of the Municipality; or

- ii. The implementation of the policy provides source protection implementation benefits to the Municipality, the Municipality's stakeholders, the Municipality's watershed, and/or the Municipality's Lower Tier Municipalities.

Significant drinking water threat policies are limited to:

- (a) Policies for the purpose of Part IV of the *Clean Water Act, 2006* to address significant drinking water threats;
- (b) Policies that govern *Planning Act* decisions to address significant drinking water threats;
- (c) Policies that establish education and outreach programs to address significant drinking water threats; or
- (d) Policies that specify other types of actions the Municipality is required to take to address significant drinking water threats.

- 2.4 Schedule "B" (Eligible Costs and Activities) is deleted in its entirety and replaced with the following:

SCHEDULE "B"

ELIGIBLE COSTS AND ACTIVITIES

B.1 Eligible Activities

The Municipality may only spend the Funds on the following eligible activities that are undertaken by the Municipality, or that are undertaken on the Municipality's behalf, between February 4, 2016 and December 4, 2017 that are directly related to the following:

Risk management

- a) Establishing and enforcing risk management plans under Part IV of the *Clean Water Act, 2006*;
- b) Communication with landowners affected by policies pertaining to Part IV of the *Clean Water Act, 2006*;
- c) Refining the number of threats within the Municipality pertaining to Part IV of the *Clean Water Act, 2006*;

Land use policies

- d) Implementing the Municipality's municipal land-use planning policies related to activities that are identified as significant drinking water threats;

Education and outreach

- e) Implementing education and outreach policies to address significant drinking water threats, including:
 - a. Installation of municipal road signs indicating areas of a wellhead protection area or an intake protection zone where significant threat policies apply;

Other activities

- f) Working with the local source protection authority and local source protection committee to understand the Municipality's requirements under the source protection plan;
- g) Developing and/or modifying the Municipality's business processes in order to implement significant drinking water threat policies;
- h) Establishing processes for information sharing among municipalities and source protection authorities;
- i) Developing a reporting framework for the Municipality that aligns with the collection of data under Section 65 of Ontario Regulation 287/07, made under the *Clean Water Act, 2006*;
- j) Other activities the Municipality undertakes to fulfill its requirements to implement significant drinking water threat policies, including:
 - a. Establishing a mandatory septic re-inspection program for vulnerable areas delineated in approved assessment reports; and,
 - b. Installation of road signs indicating areas of a wellhead protection area or an intake protection zone where significant threat policies apply.
- k) Activities identified in subsections B.1 (a) through (j) for another municipality with a current agreement under the SPMIF, provided that such activities:
 - a. Will provide source protection implementation benefits to the Municipality, the Municipality's community (Upper Tier Municipality and/or Lower Tier Municipalities), and/or the Municipality's watershed; and
 - b. Are not ineligible under the other municipality's own SPMIF agreement.

B.2 Ineligible Activities

The following activities are not eligible for funding under the Agreement and the Municipality may not spend the Funds on the following:

- a) Refining the number of threats within the Municipality not pertaining to Part IV of the *Clean Water Act, 2006*;
- b) Threat refinement work already funded by the Province through source protection authorities;
- c) Activities that are already funded through another program, funding body, partners, or other means;
- d) Activities that are funded by the SPMIF through an agreement between the Province and another municipality;
- e) Fulfilment of the Municipality's responsibilities as a property owner undertaking activities identified as significant drinking water threats;
- f) Fulfilment of the Municipality's responsibilities under other legislation (e.g., Building Code), except as noted in Section B.1(j)(a), including;
 - a. Establishment of a septic re-inspection program for areas delineated through other legislation (i.e. *Lake Simcoe Protection Act, 2008*);
 - b. Establishment of a discretionary septic re-inspection program for areas where an activity is not considered a significant drinking water threat under the source protection framework; and,
- g) Activities not related to fulfilling the Municipality's requirements to implement significant drinking water threat policies specified in an approved source protection plan, or proposed source protection plan that has been submitted to the Ministry for approval.

B.3 Eligible Costs

The eligible costs listed below must be directly related to the source protection implementation activities outlined in Section B.1:

- a) Municipal staff salaries and benefits for time spent working on the Project (such as hiring or re-assigning Municipal staff to serve as RMOs and RMIs as specified under the *Clean Water Act, 2006*; or administrative support required to establish and/or maintain the Risk Management Office);
- b) Fees incurred for contracted professional services from professionals, technical personnel, consultants, and contractors for work on the Project (such as hiring a consultant to support the RMO in determining appropriate measures the Municipality should include in a risk management plan);
- c) Printing and distribution costs related to education and outreach programs and

activities necessary to implement a source protection plan;

- d) Purchase and/or production costs of municipal road signs indicating areas of a wellhead protection area or an intake protection zone where significant threat policies apply;
- e) Transportation (including mileage), meals and accommodation for an appointed RMO/RMI to attend Ministry legislated RMO/RMI training; and, mileage for an appointed RMO/RMI to undertake negotiating risk management plans;
 - a. The amount from the Funds used for transportation, meals and accommodation must be calculated according to the rates in the Ontario Government's Travel, Meal and Hospitality Expenses Directive (<https://www.ontario.ca/document/travel-meal-and-hospitality-expenses-directive>) that is current as of the date that the expense is incurred;
 - b. Transportation will be by the most practical and economical method; tickets (e.g. train, airplane) purchased must be for economy/coach class and when renting a vehicle, the Funds may only be used for a compact model or its equivalent unless approval for a different model is obtained from the Province prior to rental;
 - c. Accommodation will be in a standard room; the Funds may not be used for hotel suites, executive floors or concierge levels.
 - d. Meals refer to the provision of food or beverages, subject to the limitations below:
 - i. The Municipality may only use the Funds for food and beverage if it is collecting and retaining itemized receipts that verify the expenditure. The Funds may not be used for:
 - 1. non-meal food and beverages;
 - 2. alcohol; or
 - 3. meals when the travel period is less than 5 hours, calculated from the time the appointed RMO/RMI leaves their normal place of business (or reasonable alternative origin) to the time the RMO/RMI or returns to the normal place of business (or reasonable alternative destination);
- f) Equipment purchased for an appointed RMO/RMI to undertake negotiating risk management plans;
 - a. Costs for equipment are limited to a maximum of 10% of the Municipality's Maximum Funds;
 - b. Eligible equipment would include items listed in the Ministry of the Environment and Climate Change legislated RMO/RMI training (i.e. industrial personal property entry equipment and biosecurity protocol equipment)
- g) Training (registration fees for courses) for an appointed RMO/RMI, directly related to negotiating risk management plans (such as training on the *Nutrient Management Act*);

- a. Costs for training are limited to a maximum of 10% of the Municipality's Maximum Funds; and,
- h) Any other expense approved by the Province, for which the Province has provided Notice to the Municipality.

For clarity, should the Municipality collaborate with one or more other municipalities to get a "bulk rate" for a similar expense, the bulk rate does not have to be allocated equally between all municipalities. However, the Municipality's share of the bulk rate cannot be any more than it would have paid for its own expense in the absence of a bulk rate and the Municipality may be required by the Province to verify this cost.

B.4 Ineligible Costs

The following costs are not eligible for funding under the Agreement and the Municipality may not spend the Funds on the following:

- a) Travel, meals, accommodation and hospitality;
 - a. Penalties incurred for non-cancellation of guaranteed hotel reservations; and
 - b. Except as noted in Section B.3(e);
- b) Overhead (such as rent, utilities, human resources services, office supplies);
- c) Capital (such as vehicles, office furniture, computers, software licenses, etc.) and equipment;
 - a. Except for municipal road signs indicating areas of a wellhead protection area or an intake protection zone where significant threat policies apply as noted in Section B.3(d); and
 - b. Except for equipment as noted in Section B.3(f);
- d) Training (including staff and contracted professional services associated with training);
 - a. Except as noted in Section B.3(g);
- e) Land expropriation or purchase;
- f) Incentives or compensation for property owners; and
- g) Costs for establishing risk management plans if costs have been or will be recovered from property owners.

We have authority to bind the Municipality.

THE CORPORATION OF THE TOWN OF KINGSVILLE

BY-LAW 38 - 2017

***Being a By-law to confirm the proceedings of the
Council of The Corporation of the Town of Kingsville at its
March 27, 2017 Regular Meeting***

WHEREAS sections 8 and 9 of the *Municipal Act, 2011* S.O. 2001 c. 25, as amended, (the “Act”) provides that a municipality has the capacity, rights, powers and privileges of a natural person for the purpose of exercising the authority conferred upon a municipality to govern its affairs as it considers appropriate.

AND WHEREAS section 5(3) of the Act provides that such power shall be exercised by by-law, unless the municipality is specifically authorized to do so otherwise.

AND WHEREAS it is deemed expedient that the proceedings of the Council of The Corporation of the Town of Kingsville (the “Town”) be confirmed and adopted by by-law.

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWN OF KINGSVILLE ENACTS AS FOLLOWS:

1. The actions of the Council at its March 27, 2017 Regular Meeting in respect of each report, motion, resolution or other action taken or direction given by the Council at its meeting, is hereby adopted, ratified and confirmed, as if each resolution or other action was adopted, ratified and confirmed by its separate by-law.
2. The Chief Administrative Officer and/or the appropriate officers of the Town are hereby authorized and directed to do all things necessary to give effect to the actions set out in paragraph 1, or obtain approvals, where required, and, except where otherwise provided, the Mayor and the Clerk are hereby directed to execute all documents necessary and to affix the corporate seal to all such documents.
3. This By-Law comes into force and takes effect on the day of the final passing thereof.

READ a FIRST, SECOND and THIRD time and FINALLY PASSED this 27th day of March, 2017.

MAYOR, Nelson Santos

CLERK, Jennifer Astrologo
