

Rick Fleming

Aug 16/18

Mayor Santos & Council

I am writing to congratulate you on the excellent work by your water department staff (Adam Sillon) & his partner. I didn't catch his name.

These men were courteous, knowledgeable, very helpful.

If all your employees are of this caliber you are a very fortunate Council.

We recently moved here from Richmond Hill and couldn't be happier.

Yours truly

Dorothy & Rick Fleming
