	Councillor Susanne Coghill
	Councillor Tony Gaffan
	Councillor Thomas Neufeld
	Councillor Larry Patterson
Members of Administration	J. Astrologo, Director of Corporate Services
	K. Brcic, Planner
	S. Kitchen, Deputy Clerk-Council Services
	A. Plancke, Director of Municipal Services
	P. Van Mierlo-West, CAO
	R. Baines, Deputy Clerk - Administrative Services

A. CALL TO ORDER

Mayor Santos called the Regular Meeting to order at 7:00 p.m.

B. MOMENT OF SILENCE AND REFLECTION

Mayor Santos asked those present to stand and observe a moment of silence and reflection to be followed by the playing of O'Canada.

C. PLAYING OF NATIONAL ANTHEM

D. DISCLOSURE OF PECUNIARY INTEREST

Mayor Santos reminded Council that any declaration is to be made prior to each item being discussed and to identify the nature of the conflict, if any, as the agenda items come forward.

E. MATTERS SUBJECT TO NOTICE

**1. PUBLIC MEETING--Licensing, Regulating and Registration of Dogs
Proposed By-law Amendment**

R. Baines, Deputy Clerk-Administrative Services

i) Notice of Consideration of Amendments to Licensing, Regulating and Registration of Dogs By-law dated October 9, 2018;

ii) Report dated November 26, 2018;

iii) Proposed By-law 122-2018, being a by-law to amend By-law 103-2003, as amended, being a By-law to provide for the licensing, regulating and registration of dogs by-law within the Town of Kingsville

Comments from the audience:

Mary Ann Malott, 67 McDonald St., commented that she is aware of many complaints in connection with dog tethering, and that some people might not know who to contact. She is in support of the proposed By-law.

Linda Beck, 3184 Division Road North, commented that she is also in support and felt that all residents in the community should help by reporting instances of dogs being tethered outside for extended periods of time.

Melanie Coulter, Executive Director, Windsor Essex Humane Society informed that the Society receives many reports of tethered dogs. The concern with the current by-law is that enforcement is very difficult and the reduction of the limit to 4 hours will assist with that issue. She explained that when there is a chronic situation, residents will be educated in the matter respecting compliance. Dogs who are tethered for extended periods of time are not getting the social interaction they need and it poses a safety hazard to the dog as well.

There were no further comments from anyone in attendance in the audience.

626-2018

Moved By Councillor Susanne Coghill

Seconded By Councillor Larry Patterson

That Council receives Report of R. Baines, Deputy Clerk-Administrative Services, dated November 26, 2018; and that By-law 122-2018 amending the Licensing,

Regulating and Registration of Dogs By-law 103-2003, as amended, be adopted at this Regular Meeting.

CARRIED

2. PUBLIC MEETING--Application for Zoning By-law Amendment ZBA/25/18 by Jeremy Capussi 140 Main St. E, Pt. of Lot 1, Concession 1 ED, Pts. 1 & 2, RP 12R 14569

R. Brown, Manager of Planning Services

i) Notice of Complete Application and Public Meeting: Zoning By-law Amendment, dated November 6, 2018;

ii) Report dated November 16, 2018;

iii) Proposed By-law 123-2018, being a by-law to amend By-law 1-2014, the Comprehensive Zoning By-law for the Town of Kingsville.

Comments from the applicant.

Karl Tanner, Dillon Consulting, on behalf of Mr. Capussi, commented that the applicant will be coming back for site plan approval. He stated that the traffic study shows traffic will function appropriately. The tenant who will be opening up a medical practice in the building is a family member of the Applicant.

As a response to concerns as to how construction dust and noise will impact the neighbourhood, Mr. Brown stated that the Town can request through the site plan process a construction plan to show where construction vehicles will be placed during construction.

Comments from the audience:

John Smith, 23 Cherry Lane stated that he has been coming to meetings regularly and the proposal is 100% better than it was a year ago. He asked if he would be able to provide landscaping input when that is being discussed. Mr. Smith was asked to provide written comments addressed to the Manager of Planning Services in this regard with a view to a possible site meeting with the nearby residents.

Doug Duff, 71 Robin Court asked if the architectural aspect of the design could be improved, and also expressed traffic concerns. He stated that the Town has a road problem and needs better traffic flow. He also expressed concerns regarding the dust and mud local construction projects cause seasonally.

Margie Anson, 69 Augustine Dr. stated she does not think the type of density proposed blends in with the existing neighbourhood. She also asked if there were any conservation concerns. Mr. Brown confirmed that there are no significant species at risk and no significant features to be preserved.

Katherine Gunning, 4 Elwood, Cottam, expressed concern if the front yard setbacks on Main St. were reduced from the current regulated setbacks. Mr. Brown explained that a road widening will be necessary, which will push the building back an additional six feet. Ms. Gunning stated that because it is not known what will be developed on the other side of the building, she hopes the current setbacks 'on the books' will remain.

Lindsey Ecker, 55 Golfview Drive, asked if the environmental study would be available for review, and it was confirmed that study is available with the public record.

Joanne Rivard, 222 Sandybrook Way, inquired about fire truck access.

627-2018

Moved By Deputy Mayor Gord Queen

Seconded By Councillor Larry Patterson

That Council approves Zoning Amendment application ZBA/25/18 to rezone a portion of the lands (Phase One) located at 140 Main St E. from Residential Zone 1 Urban – holding 'R1.1(h)' to a site-specific Residential Zone 4 Urban Exception 5 'R4.1-5' to permit:

Mixed Use Commercial/Residential building which may include: a medical office/clinic and accessory pharmacy; neighbourhood commercial uses excluding a convenience store or commercial plaza;

Permit a reduced easterly side yard setback of 2.8 m (9 ft.);

Permit a total height of 11.5 m or three storeys whichever is less;

Limit the ground floor commercial space to 705 sq. m (7,588 sq. ft.) and;

Permit a partial fourth storey amenity space limited to 50% of the ground floor area; and

adopt the implementing by-law.

CARRIED

3. PUBLIC MEETING--Application for Zoning Amendment - ZBA/20/18 by Robert & Barbara Dick & Helena Koop – Owners Heather Scott – Authorized Applicant 101 Mill St. W Part of Lot 1 & 2, Concession 1 WD Roll No. 3711 160 000 02710

K. Brcic, Town Planner

i) Notice of Complete Application and Public Meeting: Zoning By-law Amendment, dated November 6, 2018;

ii) Report dated November 19, 2018;

iii) Powerpoint presentation by Applicant; and

iv) Proposed By-law 125-2018, being a By-law to amend By-law 1-2014, the Comprehensive Zoning By-law for the Town of Kingsville.

The Applicant, Heather Scott, and her daughter Jordan, were in attendance. Leigh Ann Mastronardi, a local yoga practitioner, was also in attendance.

Comments from the Applicant:

Jordan Scott presented the Powerpoint presentation entitled "Estate of Health Holistic Day Spa and Yoga Studio" and described the proposal in terms of services to be offered (holistic treatments, yoga classes, seminars and workshops, retreats, and gift shop). Ms. Leigh Ann Mastronardi stated that she is seeing a very large need in the community for this type of centre; that the size of her existing location cannot accommodate the number of students requesting classes.

Comments from the audience:

Solicitor Brian Chillman spoke in support of the Zoning By-law Amendment Application, having known the Scott family for many years.

Craig Farqueson, 116 Mill St. West stated that he likes the passive use, but is concerned about the increase in traffic flow and parking on the street.

Donna Carter, 91 Laurel St. stated that she thinks the idea is wonderful, but also expressed concerns regarding traffic and overflow parking on the street.

Lindsey Ecker, 55 Golfview, stated that she is in strong support of the application and indicated that having recently hosted a local Holistic Health and Wellness Expo event she is aware that numerous people in a very wide age range are continuing to express interest in this type of preventative health care.

Sarah Ann Shields, 97 Erie St. stated that she is new to Town, is a local wellness practitioner and is in support of the application. She stated that the proposal would create a cultural experience for residents and visitors, with a focus on wellness.

Mr. John Kolbrich, 74 Laurel, stated he and his wife's only concern is the amount of traffic going right by the door of their home, stating that originally there was 100 feet between the driveway and the next residence, and now the driveway would be only 10 feet from their bedroom. He asked if the parking could be relocated to the Mill St. side.

628-2018

Moved By Councillor Susanne Coghill

Seconded By Deputy Mayor Gord Queen

That Council approves Zoning Amendment Application ZBA/20/18 to amend the current 'Residential Zone 1 Urban Exception 20 (R1.1-20)' zoning of the lands known as 101 Mill Street West, in the Town of Kingsville, to revise the permitted uses as follows:

The existing uses as follows:

Those uses permitted under Section 6.1 Residential Zone 1 Urban (R1.1); An inn, an assembly hall, a banquet facility and a gift shop.

or;

The proposed use as follows:

A holistic health centre and an accessory gift shop;

and adopt the implementing by-law.

CARRIED

Comments from the Applicant:

Todd Statzer on behalf of the Applicant, explained that he is a consultant with a great deal of experience in horticultural growing and production practices. He provided information regarding the technology involved with respect to odour control; that this facility will be using technology that kills the odour and not just to "catch it". The technology, utilizing hydrogen peroxide produced by the sun, kills funguses, mold and mildews. He indicated that before his current position as Director of Environmental Sciences with urban-gro, he was a plant and pesticide inspector for the State of Illinois in the Bureau of Medicinal Plants, and as a result has been on both sides of the issue. He stated that most greenhouses are metal-walled where he is from, and explained that any air leaving the facility is treated.

Comments from the public:

Doug Duff, 71 Robin Court, stated that he is a chemist and a chemical engineer and understood the technical explanation provided by Mr. Statzer. He stated that he is concerned that this location is only 7/8 of a mile from one of the applications that was denied previously, is not too far from the arena complex, and about one mile away from his neighbourhood. His second concern is that if this application is approved the Town may be subject to a lawsuit for the applications that were denied previously. Finally, he stated that because the facility is metal, the taxes should be assessed at a higher rate.

Director Plancke explained the proposed waterline infrastructure.

Joanne Rivard, 222 Sandybrook Way, asked if migrant workers are allowed to work on medical marihuana facilities. She also asked for clarification pertaining to the imposition of fines against the growers in the event of non-compliance.

Alex Gruening, 749 Road 3 East stated that he has experienced the big trucks speeding up and down Road 3 East, and the street is taking a beating.

Doug Duff, 71 Robin Court stated that if this application is approved it will have to be monitored.

Dave Lamarre of urban-gro, Inc. spoke in support of the agreement, indicating that that he has been in 60 to 70 indoor greenhouse grows and that this facility will set the standard for all facilities.

635-2018

Moved By Councillor Thomas Neufeld

Seconded By Councillor Tony Gaffan

That:

Council approve Phase One of the proposed greenhouse development for a medical marihuana production facility, subject to the conditions outlined in the site plan agreement, for a 5.78 ha (13.78 ac.) greenhouse with auxiliary warehouse and supporting facilities and authorize the Mayor and Clerk to sign the site plan agreement and register said agreement on title, and

Council require a security deposit equal to 50% of the total cost of the odour control system, lighting control system and Road 3 E road improvements (Phase One only) to be deposit with the Town prior to release of any building permits.
