Subject: AGCO request

Good Afternoon

The AGCO has requested a change to the language used in Motion 252-2019 previously adopted by Council to expressly include language reflected the event as being Municipally significant.

The change in wording does not in any way change the original intention of the resolution, it only aligns the verbiage with that of the AGCO, which will expedite the procurement of the Special Occasions Permit, and is in keeping with the wording as requested by the AGCO

The Motion currently reads

That Council authorizes Significant Event status for the identified events which include: Kingsville Highland Games, Carnegie Social, Kingsville Folk Fest, Tall Ships Kingsville, Kingsville Migration Fest and Fantasy of Lights Festival, and further more, that Council authorizes Administration to author a recommendation for Significant Status for these events to secure a special occasion permit for each.

Request that the motion be amended to

That Council authorizes Municipal Significance status for the identified events which include: Kingsville Highland Games, Carnegie Social, Kingsville Folk Fest, Tall Ships Kingsville, Kingsville Migration Fest and Fantasy of Lights Festival, and further more, the Council authorizes Administration to author a recommendation for Municipal Significance status for these events to secure a special occasions permit for each

If you require any further information with respect to this request kindly let me know

Thank you
