Applicant: Chris & Lori King

DELEGATED RESPONSIBILITY TO REPRESENT THE PROVINCIAL INTEREST IN NATURAL HAZARDS AND REGULATORY RESPONSIBILITIES ASSOCIATED WITH THE CONSERVATION AUTHORITIES ACT

The following comments reflect our role as representing the provincial interest in natural hazards as outlined by Section 3.1 of the Provincial Policy Statement of the *Planning Act* as well as our regulatory role as defined by Section 28 of the *Conservation Authorities Act*.

We have reviewed our floodline mapping for this area and it has been determined this site is **not** located within a regulated area that is under the jurisdiction of the ERCA (Section 28 of the *Conservation Authorities Act*). As a result, a permit is not required from ERCA for issues related to Section 28 of the *Conservation Authorities Act*, Development, Interference with Wetlands and Alteration to Shorelines and Watercourses Regulation under the *Conservations Authorities Act*, (Ontario Regulation No. 158/06).

WATERSHED BASED RESOURCE MANAGEMENT AGENCY

The following comments are provided in an advisory capacity as a public commenting body on matters related to watershed management.

SECTION 1.6.6.7 Stormwater Management (PPS, 2014)

Our office has reviewed the proposal and has no concerns relating to stormwater management.

PLANNING ADVISORY SERVICE TO MUNICIPALITIES - NATURAL HERITAGE POLICIES OF THE PPS

Ms. Brcic
February 13, 2020

The following comments are provided from our perspective as a service provider to the Municipality on matters related to natural heritage and natural heritage systems as outlined in Section 2.1 of the PPS. The comments in this section do not necessarily represent the provincial position and are advisory in nature for the consideration of the Municipality as the planning authority.

The subject property is not within or adjacent to any natural heritage feature that may meet the criteria for significance as defined by the Provincial Policy Statement (PPS). Based on our review, we have no objection to the application with respect to natural heritage policies.

FINAL RECOMMENDATION

ERCA has no objection to the application for zoning amendment to add a permitted use of a secondary dwelling unit on a property where the proposed property is not fully serviced.

ERCA requests to receive a copy of the Notice of Decision for this application.

If you have any questions or require any additional information, please contact the undersigned.

Sincerely,

Michael Nelson, BSc, MSc (Planning)
