Re. 1520 Road 5E

Mayor Nelson Santos and members of council,

I am writing to you in my capacity as chair of the Kingsville Municipal Heritage Advisory Committee. The committee has been contacted by town administration in regard to the property at 1520 Road 5E. This property is on the Register of Properties of Historical Value or Interest, commonly referred to as the heritage inventory.

The home on this property is the subject of a property standards order to comply. After considering correspondence and photographs of the building from Mr. Robert Sassine, By-law enforcement officer, the committee recommends the property be removed from the inventory and does not object to the demolition of the home and garage on the site.

Sincerely,

Sarah Sacheli
Chair, Kingsville Municipal Heritage Advisory Committee
