Kingsville, ON N9Y2Y9

July 2, 2020

To Mayor Santos and our Town Council:

I am writing this letter on behalf of the KPI board and membership to affirm that we are wholeheartedly in support of, and grateful for, the Funding Agreement that will be presented for your approval. We are very excited to move forward with the project as outlined and very much desire your agreement with the proposed Funding Agreement. With your acceptance, we have planned for and are prepared to move forward with our fundraising plans which encompass receipt of some immediate funding from a variety of donors. We are confident in our ability to raise the funds as outlined and also have hopes of exceeding the minimum amounts as stated. We are in full consensus with this joint venture and are committed to the collaborative effort required to see it through to fruition.

We are confident that dedicated pickleball courts will be of great health benefit to a large number of Kingsville residents, surrounding community members, and also a definite attraction for possible newcomers and tourists to the area. We are excited by the collaborative working relationship now established with the town and the ability to hold tournaments which in turn will assist in bringing much needed revenue to our community. With the location of the courts and our new highschool, the opportunity to work with the students and staff is also another exciting opportunity for all.

We look forward to a positive outcome from the upcoming Town Council meeting and furthermore, to the resulting success of this project for years to follow. We thank you for your continued support and desire to make it a reality.

Sincerely,

H. Dean
