

Appendix C

To The Town of Kingsville

We the undersigned request a reduction of the speed limit from Seacliff Drive to the 2nd Concession to 60 km/hr on the Graham Side Rd. This will help to ensure some margin of the safety to the many walkers, joggers, cyclist and migrant workers who wish to use this road to access the Greenway and greenhouses from the subdivisions south of Seacliff Dr. It is a dangerous road because of its poor condition and deep ditch. Also, there is an increased volume of traffic and many are inconsiderate drivers who neglect the current speed limit and seemingly ignore the safety of the pedestrian traffic. Please consider this request.
