SUBJECT: Tender Review Letter

**PROJECT: CLARK STREET WATERMAIN REPLACEMENT & ROAD RECONSTRUCTION
(Geographic Township of Gosfield North)
Town of Kingsville, County of Essex
Project No. E-20-028**

Tenders for the above noted project were received electronically by the Corporation of the Town of Kingsville on their Bids and Tenders Website and closed at 11:00 a.m. on Friday, March 26th, 2021. A total of nine (9) tenders were received for the project. We have conducted a detailed review of the top four (4) tenders and offer the following summary:

Rank	Contractor	Tender Amount (Excl. HST)	Days to Commence	Working Days
1.	Sherway Contracting (Windsor) Limited	\$467,747.00	10	60
2.	Major Construction (2010) Ltd.	\$504,506.00	20	40
3.	J & J Lepera Infrastructures Inc.	\$523,560.00	10	40
4.	D'Amore Construction (2000) Ltd.	\$545,713.00	20	40

The lowest tender submitted was by Sherway Contracting (Windsor) Limited (Sherway) for the amount of \$467,747.00 (excluding H.S.T). We have reviewed the tender from Sherway and found it to have no mathematical errors the other three (3) tenders were also free of any mathematical errors. The Contractors start date and number of working days are satisfactory.

When evaluating the provisional items for the removal and disposal/reuse of excess fill materials, Sherway's price does not change the tender result order.

After reviewing Sherway's tender together with their previous experience with projects of this type, we would recommend that the Corporation of the Town of Kingsville award this Tender to Sherway Contracting (Windsor) Limited for the amount of **\$467,747.00** plus H.S.T. for a total tender price of **\$528,554.11**.

We trust that the above provides the Town with the information that they require at this time. Should there be any questions regarding same please do not hesitate to contact us. We look forward to working with the Town to carry out the construction of this project once they have established a Contractor for the works.

All of which is respectively submitted,
