Good afternoon:

At its meeting of June 16, 2021 the Council of The Township of Tarbutt received the resolution from the Town of Kingsville regarding Bill C-21, an Act to amend certain Acts and to make certain consequential amendments (firearms).

The Council of The Township of Tarbutt supports the resolution from the Town of Kingsville opposing the Federal government's assertion that municipalities should enact by-laws restricting the possession, storage and transportation of legally obtained handguns, as municipalities have never been, nor should they be responsible for gun control of any kind.

Please do not hesitate to contact me should you require anything further.
