

28 Pulford Street, Kingsville, Ontario N9Y 1B4

July 6, 2021

Jennifer Astrologo, Director of Legislative Services, & Clerk  
Corporation of The Town of Kingsville  
2021 Division Road North,  
Kingsville, Ontario

**Notice of Motion: Regarding Pickleball**

**Background:**

On Many topics members of Council that are not on PRAC have indicated an interest in Pickleball and other sporting events and facilities.

**Council worked with the Local Pickleball group to secure a minimum amount of funds prior to construction of the new site just north of the arena.**

The Kingsville site is currently under development, as shown in the attached photo: (taken July 4)

At a recent PRAC meeting some suggestions were made in respect to the operation of the site and the possibility of a key or swipe card for access.

In Cottam, the current site that serves both Tennis and Pickleball has been a great success.

For years, the Cottam community has had free access to this site.

**At the next regular meeting of Council, I may move, or cause to have moved that Council have an open public discussion with staff, regarding suggestions for Pickleball in Cottam and Kingsville to encourage same, prior to any attempt to reduce or restrict access.**
