Municipality of Kingsville
2021 Division Road North
Kingsville, ON N9Y 2YN

Attention: Jennifer Astrologo, Director of Corporate Services

Re: Municipality of Kingsville Resolution #322 -2020

That a controlled lighted intersection for County Road 20 and County Road 23 be moved to a top priority

Dear Ms. Astrologo,

The County is in receipt of the above noted resolution #322-2020 (attached) and has reviewed the site related to the resolution.

County staff's review of the intersection of County Road 20 and County Road 23 included checking traffic volume and collision history. Site inspection was carried out and the road geometry, sight distances, existing signage and roadside environment was reviewed. Analysis was carried based on OTM Book 5 and Book 12 out to asses if all way stops or a traffic signal is warranted.

From the review neither an all way stop or a traffic signal was warranted. To improve driver awareness of the intersection ahead, the County will install "STOP AHEAD" and "STOP" road markings on County Road 23.

County Staff will also continue to monitor this intersection and the safety of the intersection.

Should you require further information, please contact me by email at jbehl@countyofessex.ca or by phone at extension 1316.

Regards,

J. Behl
