Dear Mr. Brown:

RE: Zoning By-Law Amendment ZBA-14-21

ARN 371130000023801; PIN: 751450332  
Applicant: Rock Island Investments Inc.

The following is provided as a result of our review of Zoning By-Law Amendment ZBA-14-21. The subject lands is a 0.234 ha (0.578 ac.) existing single detached dwelling and outbuilding. The applicant is seeking a rezoning of the subject parcel to permit the use of the dwelling for worker housing.

**DELEGATED RESPONSIBILITY TO REPRESENT THE PROVINCIAL INTEREST IN NATURAL HAZARDS AND REGULATORY RESPONSIBILITIES ASSOCIATED WITH THE CONSERVATION AUTHORITIES ACT**

The following comments reflect our role as representing the provincial interest in natural hazards as outlined by Section 3.1 of the Provincial Policy Statement of the *Planning Act* as well as our regulatory role as defined by Section 28 of the *Conservation Authorities Act*.

We have reviewed our floodline mapping for this area and it has been determined this site is not located within a regulated area that is under the jurisdiction of the ERCA (Section 28 of the *Conservation Authorities Act*). As a result, a permit is not required from ERCA for issues related to Section 28 of the *Conservation Authorities Act*, Development, Interference with Wetlands and Alteration to Shorelines and Watercourses Regulation under the *Conservations Authorities Act*, (Ontario Regulation No. 158/06).

**WATERSHED BASED RESOURCE MANAGEMENT AGENCY**

The following comments are provided in an advisory capacity as a public commenting body on matters related to watershed management.

**SECTION 1.6.6.7 Stormwater Management (PPS, 2020)**

Our office has reviewed the proposal and has no concerns relating to stormwater management.

**PLANNING ADVISORY SERVICE TO PLANNING AUTHORITIES - NATURAL HERITAGE POLICIES OF THE PPS, 2020**

The following comments are provided from our perspective as an advisory service provider to the Planning Authority on matters related to natural heritage and natural heritage systems as outlined in Section 2.1 of the Provincial Policy Statement of the *Planning Act*. The comments in this section do not necessarily represent the provincial position and are advisory in nature for the consideration of the Planning Authority.

We note that the subject property is adjacent to (within 120 m of) a natural heritage feature that may meet the criteria for significance under the PPS. Section 2.1.8 of the PPS, 2020 states – “Development and site alteration shall not be permitted on adjacent lands to the natural heritage features and areas identified in policies 2.1.4, 2.1.5 and 2.1.6 unless the ecological function of the adjacent lands has been evaluated and it has been demonstrated that there will be no negative impacts on the natural features or on their ecological functions.”

Notwithstanding the above noted references to the PPS policies, we note that the proposed development is either adequately setback and/or physically separated from the natural heritage feature by existing development or infrastructure. Therefore, we do not anticipate any negative impacts associated with the proposal. Based on our review, we have no objection to the application with respect to the natural heritage policies of the PPS.

**FINAL RECOMMENDATION**

With the review of background information and aerial photograph, ERCA has no objection to this application for zoning by-law amendment.
