RE: Franco-Ontarian Day Flag Raising

Your Worship and Members of Council,

On behalf of the Association des communautés francophones de l'Ontario Windsor, Essex, Chatham, Kent (ACFO WECK), I am writing to request that the Town of Kingsville participate in a flag raising in celebration of Franco-Ontarian Day.

This celebration, held every year on September 25th, is an opportunity to recognize and celebrate Francophone heritage across the province. Francophones are integral parts of our communities across Windsor-Essex and Chatham-Kent, and we will celebrate them by raising the Franco-Ontarian Flag, which finally became an official emblem of Ontario just last year!

With the holiday falling on a Saturday, we would be happy to see you celebrating by raising the flag on the Friday, the 24th of September, and by illuminating municipal buildings in green in white should you be able to.

Merci,

Kelsey Santarossa
