Dear Members of Council

I am writing today on behalf of the Kingsville BIA Board of Managers, our members and all businesses of Kingsville, Ontario. We are writing to respectfully request that Council consider offering a Financial Relief Grant to all businesses that have been financially impeded by the forced restrictions implemented as a result of the pandemic.

To be clear, this request is being made for all businesses in Kingsville and not just Kingsville BIA members.

Financial relief will make a significant and sincerely positive impact for many of the businesses operating within Kingsville as they are working to recover from the last lock down. Thankfully other grants have been made available from different levels of government including the Town of Kingsville. However, businesses continue to struggle as they work to reopen and a financial grant would be of substantial assistance.

We genuinely thank you in advance for your consideration and look forward to our continued working relationship as partners.

Respectfully,

*Christina Bedal*
