Dear John,

Thank you for your letter dated February 2, 2022 requesting an update regarding the new JK-12 school to be built on Jasperson Drive in Kingsville.

The Board is fully committed to the construction of the school and we acknowledge the interest of the Town and the community regarding the status of the school build and the related construction schedule. The Board is engaged in conversations with the Ministry of Education and is evaluating the results of its tender submissions. The Board is hopeful that it can provide the Town of Kingsville with an update by the end of February.

Should you have any further questions, please do not hesitate to give me a call directly. I would be happy to meet with you and I look forward to partnering with the Town on this exciting new school build.

Sincerely,

A handwritten signature in cursive script that reads "Shelley Armstrong".
