## ERIE NORTH SHORE PRESENTATION TO TOWN COUNCIL

Ice Slab Replacement Project

---

---

---

---

---

---

---

## ASSOCIATION VIEW OF THE PROJECT

- ▶ We want to make it completely clear that our association and our members 100% support the ice slab replacement project.
- ▶ We disagree with the timing of the project as we feel it could have been planned better to align with the end and start of the standard ice season (March – August timeline) to minimize impacts to all ice users.
- ▶ We also feel that there was a lack of communication with the ice users on the timing of this project as we were not notified until an ice user meeting on April 3<sup>rd</sup>.

---

---

---

---

---

---

---

## SUMMARY OF OUR ASSOCIATION

- ▶ In the 2022-23 Season we had 515 registrants playing Local League and Travel Hockey ranging in ages 4 – 20 year old.
- ▶ Our association uses a total of 72.5 hours of ice each week between Kingsville Arena (39.5 hours) and Harrow Arena (33 hours). So 54.5% of our ice needs are filled by the Town of Kingsville
- ▶ We are the only Minor Hockey Association in our leagues that has grown the last 2 year (post Covid) due to our focus Skill Development and keeping registration fees the lowest in Windsor Essex County.

---

---

---

---

---

---

---

## SOLUTIONS PROVIDED BY THE TOWN

- ▶ Delay the start of our Season
  - ▶ This is not an option at all as we are 100% dependent on our governing body (Ontario Minor Hockey Association) and the season start September 5<sup>th</sup>. We must also rely on the Bluewater League and the Essex County Local League for teams to play.
- ▶ Find Ice at Neighbouring Municipalities
  - ▶ As easy as many would assume this is it is actually extremely difficult as almost every nearby Arena is booked solid with the exception of non feasible ice times (4 pm – 5 pm and 10 pm – 11 pm). Calls have been made to Amherstburg, Leamington, Essex, Wheatley and Tilbury.

## CURRENT ICE USED IN KINGSVILLE

- ▶ Monday – 5 – 6 pm (1 hour)
- ▶ Tuesday – 5 – 11 pm (6 hours)
- ▶ Thursday – 7- 11 pm (4 hours)
- ▶ Friday – 5 – 10 pm (5 hours)
- ▶ Saturday – 8 am – 4:30 pm and 7:30 pm – 11 pm (12 hours)
- ▶ Sunday – 8 am – 12 pm and 2 pm – 9:30 pm (11.5 hours)
- ▶ Total 16 hours Mid Week and 23.5 hours Weekend

## IMPACTS TO OUR ASSOCIATION

- ▶ If we cannot get any feasible ice times to replace our existing ice times we would need to cut 54.5% of our programming which would result in our association telling 281 kids that they cannot play hockey this year.
- ▶ Depending on what ice we could get it would still result in our association making a very difficult decision on what divisions we would have to potentially eliminate.
- ▶ Neighbouring ice allocation meetings don't take place until May and June leaving our association in a very uncomfortable place of uncertainty.
- ▶ Due to the timing of this decision, our 2023-24 registration fees have already been set which do not account for the potential increased costs that our association faces.

---

---

---

---

---

---

---

---

## FINANCIAL IMPACT TO OUR ASSOCIATION AND MEMBERS

- ▶ Ice Cost Difference
- ▶ Referee cost difference for increased travel
- ▶ Time Keeper cost difference for increased travel
- ▶ Lost Members due to travel requirements and uncertainty
- ▶ Increased Mileage costs to our members
- ▶ Increased Mileage costs to our hired skills teacher (Skill to Speed)
- ▶ Loss of First Shift Program (Feeder program for our association)
- ▶ Impact on Volunteer recruitment

---

---

---

---

---

---

---

---

## FINANCIAL IMPACT TO OUR TOWN PARTNERS

- ▶ All municipalities that I have spoken to about getting ice have implied that they will likely be looking for a long term contract with our association to get us any feasible ice.
- ▶ No teams will be travelling into Kingsville for Local League or Travel games on the weekends taking the money that they spend at local businesses out of the community.
- ▶ The complimentary businesses at the Arena will be shut down, the canteen and hockey shop.
- ▶ We hire Skill to Speed to provide proper skating instruction for the entire Tyke Program (4 – 7 year olds) which is run out of Kingsville Arena.

---

---

---

---

---

---

---

---

## ERIE NORTH SHORE'S ASK IF THE PROJECT MOVES FORWARD

- ▶ Collaboration with the Parks and Rec Team moving forward as the largest ice user we should have been part of the initial conversations not brought in when the tender was already out.
- ▶ Minor Sports having first election of ice like every other Municipality offers.
- ▶ To be updated regularly on the progress of the project so we can plan accordingly
- ▶ Compensation from the town that can be passed on to our members for all the financial impacts listed in this presentation by way of donation to our association or a credit to our account with the Town of Kingsville for ice usage.
