Dear Mr. Cervi,

**Re: Notice of Extension of Draft Plan Approval**  
**Applicant: Cristina Porrone**  
**Municipality: Town of Kingsville**  
**File No.: 37-T-13002**

Please be advised that the County of Essex review of the requested extension of draft plan approval for the above noted plan of subdivision is now complete. As a result of this review, pursuant to Section 51(33) of the Planning Act, the County of Essex approval of this draft plan of subdivision is extended for a period of three (3) years. The draft approval will now lapse on **September 26, 2023**.

If a further extension is needed, it is the responsibility of the applicant to make such a request, which must be made at least sixty (60) days before the approval lapses, because no extension can be given after the lapsing date. The request should include the reasons why an extension is needed and a resolution in support of the extension from the Town of Kingsville.

Should you have any further questions with regard to the above, please do not hesitate to contact the undersigned.

Yours truly,

A handwritten signature in black ink, appearing to read "Rebecca Belanger".
