

**Date:** February 5, 2024  
**To:** Mayor and Council  
**Author:** Lu-Ann Marentette, Drainage Superintendent  
**RE:** Jamis Drain and Branches – New Petition Drain  
**Report No.:** DR-03-24

---

## **RECOMMENDED ACTION**

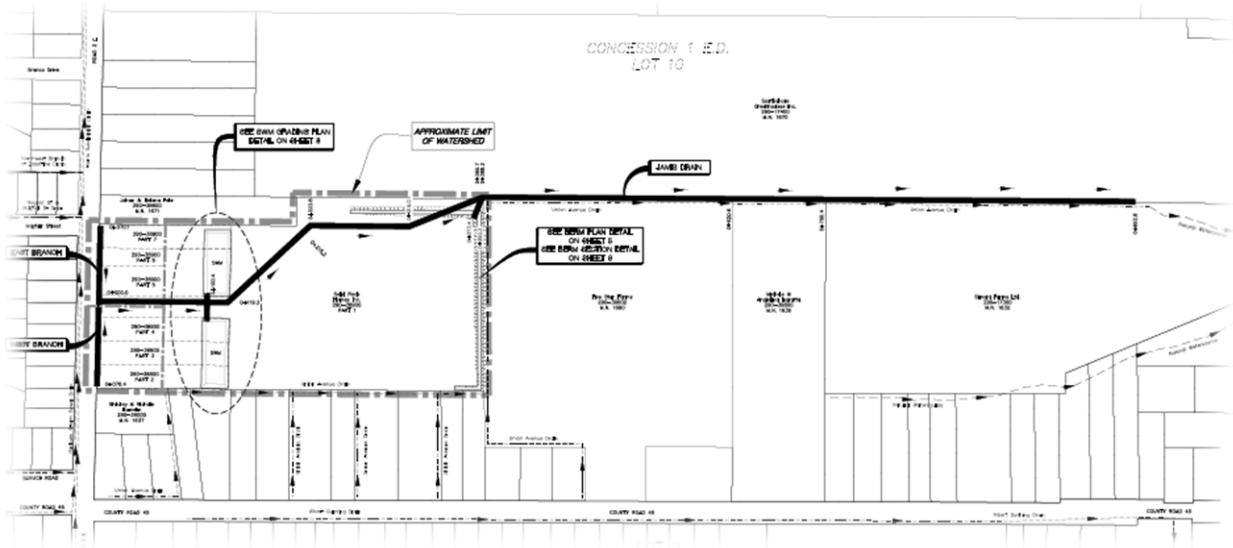

That the Report provided by Peralta Engineering, dated January 15, 2024, on the Jamis Drain and Branches, a new petition drain, for owner of parcels 1-7 under Roll # 290-08900, under a report of an engineer pursuant to Section 4 of the Drainage Act **BE ADOPTED.**

## **BACKGROUND**

The Municipality has received a signed petition from Solid Rock Homes Inc. to provide a new municipal drain to service seven (7) residential lots off of Road 2 East. Peralta Engineering was appointed to prepare the new Drainage Report. And his findings are attached in the report dated January 15, 2024.

## **DISCUSSION**

The report identifies a new municipal drain along Road 2 East then heads south toward County Road 20. Aside from the owner's property requesting drainage, 3 other parcels will be affected to allow the drain to pass through their property. These parcels will be compensated for lands taken.

Vicinity of Road 2 E and County Road 45 and County Road 20

## FINANCIAL CONSIDERATIONS

The total cost of the project will be assessed 100% to owner of Roll# 290-38900. The Engineer has provided an estimate in his report as follows:

Construction	\$380,379
Engineering	\$ 87,092
Allowances	<u>\$ 12,239</u>
Total Cost	\$478,719

## ENVIRONMENTAL CONSIDERATIONS

The project has been reviewed by the Essex Region Construction Authority and they are satisfied with the report.

## CONSULTATIONS

N.J. Peralta Engineering, Mr. Penner (owner), ERCA.
