Dear Prime Minister:

Re: Carbon Tax

At its meeting held on January 15, 2024, Sarnia City Council adopted the following resolution:

Whereas the federal government recently increased the carbon tax in April 2023 and will almost triple it by 2030; and

Whereas the Parliamentary Budget officer has admitted that when fiscal and economic impacts of the federal fuel charge are considered that the vast majority of households will see a staggering loss; and

Whereas this tax flows through from producers to transporters to the grocery store floor for our citizens; and

Whereas this tax does very little to reduce pollution and emissions; and

Whereas two thirds of Canadians are approximately \$200 away or less from not being able to pay all their bills at the end of the month; and

Therefore, be it resolved that Sarnia City Council write a Letter to the Federal government (and copied to other Municipalities for their consideration) strongly urging them to cancel the carbon tax which is financially hurting our citizens at a time

when affordability concerns are at an all-time high to ease the financial and inflationary pressure on our Citizens.

Your consideration of this request is respectfully requested.

Yours Sincerely,

A handwritten signature in cursive script, appearing to read 'Amy Burkhart'.
