Municipality of Kingsville
Att: Mayor Nelson Santos
2021 Division Road North,
Kingsville, Ontario
N9Y 2Y9

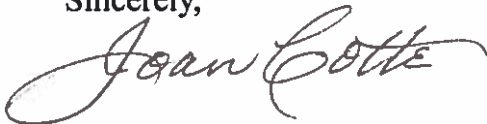

Dear Mayor Santos,

As you are aware, the Kingsville Culture Days event, named "**ART FREE FOR ALL**," is scheduled for September 30th, 2017. The Culture Days planning committee is working hard to make the number and variety of artistic events even greater than years past.

We thought we might impose upon you once again, to lead us in the Culture Days flag raising ceremony at the Town Hall. We are suggesting it be held on Friday, September 22nd, 2017, at 10:00 am. Perhaps some council members might like to join with members of the art community of Kingsville for this important, and symbolic, event.

Might we also ask that a photo-op be arranged by the Municipality towards kicking off this important form of advertising for this upcoming day of art, music, song and fun?

Sincerely,

A handwritten signature in cursive script that reads "Joan Cotte".
