Further to the notice placed on the next agenda by Councillor Neufeld

I may move or cause to have moved that Council be provided with all details regarding a proposed tower installation on town owned property in the area of the sewage treatment plant, the dog park, Such information to include but not limited to:

Who wants to put up the tower?

What are the details of the tower?

Size and shape

What is the site they seek?

When did the applicant inquire or seek permission?

Who in the Senior Administration has been dealing with the application or subject matter?

When did the above named individual plan to tell Council about the suggestion?
