Notice of sitting of Court of Revision  
Drainage Act, R.S.O. 1990, C.D. 17, subs.46 (1) and (2)

To: Attention of the Clerk

We, Neil and Tracy Reimer, Land Owner of Concession 2, we are writing to Ken Vegh, CRS Drainage Superintendent on the proposal of construction on the bridge for Bert Mucci.

We have a 100% objection and appeal to the bridge project of the 22% maintenance costs of Bert Mucci's bridge. If Mr. Mucci wants the bridge or needs the bridge fixed, then he can pay all of the costs of the bridge and 100% of the maintenance costs thereafter.

Under section 52 (1) of the drainage act, we do not think any land or road that should have been assessed has not been assessed, and or due to consideration has not been given to the use being made of the land.

In all we strongly disagree to your maintenance costs of 22% after building the bridge. We will not be paying anything of the costs.
