Dear Ladies and Gentlemen:

**RE: Grant from Town of Kingsville to CIYC Youth Sail Program**

On behalf of the Executive and Membership of the Cedar Island Yacht Club, I would like to express our sincere thanks to the Town of Kingsville for the grant awarded us to launch our Youth Sailing Program.

The Town has shown not only great vision in support of Kingsville's youth, but your confidence in the CIYC to partner with us in this great program, has allowed us to bring Youth Sailing to the Community for 2018.

Your actions, in that the Town displays a sailboat on its logo, sits on the sailing shores of Lake Erie and is looking to better the opportunities for its youth, shows the forward thinking that makes our Town the best in Ontario.

Over the years, the Town and the CIYC have worked together on many projects. We sincerely hope we may have the opportunity to expand our role in service of Kingsville in the coming years.

For the Executive and Membership of the CIYC, I remain:

Sincerely,

**Paul Cairoli, Commodore**  
**Chairman Youth Sailing Committee**
