## Kingsville Communities in Bloom

**Whereas:** In Canada, we are fortunate to have a multitude of Communities committed to fostering civic pride, environmental responsibility, and beautification; and

**Whereas:** Communities are committed to ensuring sustainable development for future generations; and

**Whereas:** Participation in Communities in Bloom builds communities, strengthens volunteer and community development, enhances social interaction, and creates community pride; and

**Whereas:** The benefits provided by Communities in Bloom may boost the economy, create sustainability, enhance property values, attract new business, and increase tourism; and

**Whereas:** Our parks, open spaces, and trails ensure sustainability, provide space to enjoy nature, help maintain clean air and water, and preserve plant and animal wildlife; and

**Whereas:** All community levels; municipal, residential, commercial, and institutional work together to ensure the voluntary sector and private enterprise throughout the County participate in the event; and

**Whereas:** A week in May has been designated in many Communities In Bloom to recognize and Celebrate the benefits derived from Communities In Bloom and the countless volunteers and individuals that make our communities great places to live; and

**Whereas:** Kingsville received five bloom recognition in 2016, and 2017

### Therefore be it resolved;

- That in recognition of the benefits and values the Communities in Bloom program does provide, that the Week of May 20<sup>th</sup>, to May 26<sup>th</sup> be designated as Communities In Bloom Week; and further,
- That the Town hold a CIB Flag Raising event at noon on Tuesday, May 22; and further,
- That the Administration of the town post and promote this and other supporting Communities In Bloom activities on the town Web Site, the electronic signage, and the Town's Social Media sites.
