To Whom it May Concern,

Leamington and Essex County Warriors is the local level of Special Olympics Ontario, which is part of a dynamic world-wide, not-for-profit organization dedicated to enriching the lives of people with an intellectual disability through involvement in sport.

As a volunteer-driven organization, the support of local businesses is important for the success of our programs. Sponsorship and fundraising allows Special Olympics athletes to access appropriate equipment and training venues, affords them the opportunity to compete locally and elsewhere, and helps offset the cost of uniforms. Such support results in our members participating in quality programs.

We are currently seeking sponsorship for our summer Softball team. We are asking for donations in kind in the form of facility rental or assistance with offsetting the cost.

Special Olympics is a registered charitable organization in good standing with Canada Revenue Agency. It's registered Canadian charitable number is: 11906 8435 RR0001. Tax Receipts may be issued for Gifts in Kind, providing an invoice of associated costs is included and approved through Special Olympics Ontario Head Office.

Thank you for considering our request for support. Please do not hesitate to contact me with any questions, comments or concerns.

Sincerely,

Brian Camlis
