

Rotary

Club of Cottam

April 16, 2018

The Rotary Club of Cottam is working very hard to provide a school bus shelter for kids in front of 124 Fox Street in Cottam but before we get approval from the town of Kingsville we need your support. Please sign the petition below if you agree that there should be a shelter at that location to keep children warm, safe and dry as they wait to board the school bus. Please sign only once.

Thank you very much for your time and support!

The Rotary Club of Cottam

.....

We, the undersigned, agree to and are in support of the Rotary Club of Cottam's bus shelter project in front of 124 Fox Street in Cottam.
